

The annual '62 Days Parade

Eagle photos/Scotta Callister
A John Day Rural Fire Department truck bears the theme proudly. Story, parade results on Page A1.

Dogs and kids join the fun, as the public access movement comes home to '62 Days.

Canyon Creek Mining makes a real haul in the annual parade.

A little rider is ready for four-wheelin' in this year's '62 Days Parade.

Meet our New Providers at BMH/SWCC

Blue Mountain Hospital and the Strawberry Wilderness Clinic are pleased to announce new physicians will be providing care this summer and in the future.

Many of you were able to meet Janessa Sickler during her six week rotation at BMH/SWCC this spring. She will be completing

her residency in the summer of 2016 and will be joining us full time September 1, 2016. Prior to her official start date, she will be providing care in our ER on some weekends. Her specialty is Family Practice with Obstetrics. We were very impressed with her skills and bedside manner, both in the clinic and in the emergency room. She and her husband love the area and are excited to begin their lives in John Day and Grant County.

This summer you will again be seeing Dr. Bob Bomengen from Lakeview, OR. We are fortunate Dr. Bomengen is available to help us when we need him. We also will have temporary physicians

assisting in the clinic and hospital over the next year until Dr. Stickler joins our practice. Dr. Pamela Shannon will begin seeing patients in July. Her specialty is Internal Medicine, meaning she specializes in treating adult patients ages 16 and older.

With the Janssens leaving on their mission this summer, we are pleased these physicians have committed their time to Blue Mountain Hospital District. They will join our present Medical Staff comprised of - Zac Bailey, MD, David Hall, MD, Emily Lieuallen, DO, Keith Thomas, MD, Shawna Clark, FNP and Nora Healy, FNP.

Blue Mountain Hospital Foundation would like to thank all of our donors who made contributions in March, April and May 2015

- SPECIAL DONATIONS:**
- Mattecheck & Associates for *Helping Hand*
 - Gary & Virginia Miller for *Legacy Fund*

Tom Bridges, Deanna Fox, Verlene Davis, Carmen Gardner, Dan and Jen Goldblatt, Kara Kohfield, Judy Krutsinger, Tami Manderscheid, Barb Oliver, Leslie Ricker, Sarah Russ, Piper Stout, Dr. Keith Thomas and Cyndy Fox and Julie Witty.

BLUE MOUNTAIN CARE CENTER Resident of the Month David Herburger

David Leone Herburger was born on August 1, 1935, in Burns, Oregon. His parents were Cedric and Isobelle (Sally Burnside Herburger).

Dave attended Elementary and three years of High School at Ashland, and his senior year at Rogue River High School, where he played football, basketball, and ran track. He graduated in 1954.

In his teens, he developed an interest in rodeos, and soon was preparing to enter his first rodeo. He did this by putting a borrowed bareback rigging on his saddle horse and riding her around the corral. This paid off when he entered his first competition. He won a first at Redmond, on his first attempt. The "rodeo bug" had bitten, and he was on his way. Joining the professional ranks, he traveled throughout the nation and traveled to Brussels, Belgium to represent the American Cowboy at the Worlds' Fair in 1958.

Dave was married to Carolyn Myers and has a daughter, Connie Jo. He later married Carlene Greenwood on July 11, 1961, in Bartlesville, OK. They have two children, Davey Herburger and Fonda Woodward.

Dave has four grandsons: Jason, Joseph, Aaron, and Josh. He has one step-grandson, Jeremy, and one granddaughter, Tenille. He has five great-grandchildren.

Dave rodeoed, worked on ranches, and was a timber faller for his occupation. Dave is an avid outdoorsman, enjoying hunting, fishing, and taking in the sights and sounds of the woods. He loves family and friends get-togethers and being a part in those times. He loves living in Oregon, among his family and his good friends.

You are invited to a Community Open House on 6/29/15

4:00 pm - 6:00 pm
in the hospital lobby

Say Farewell and Thank You to Andrea and Andrew Janssen and their family.

BMHD wishes them well on their medical mission teaching medicine in Ethiopia.
