

J. Transfer of ownership of animals takes place at time of sale. Exhibitors provide feed from sale to slaughter. Care and feeding until slaughter will be responsibility of sale sponsor.

K. If an animal is condemned in the slaughter process (because of disease, use of medicines, injury, etc.) the buyer will have their money returned and the seller will assume the loss.

L. The use of tranquilizers is prohibited in the livestock program. The use of all other drugs and growth promotants have to be used before the legal withdrawal time.

M. A total of 5% of the Auction sale receipt is deducted from participant's checks. The Auction Committee receives 4% of total sales receipts for Auction expenses. The additional 1% is earmarked for Emergency expenses and Fairgrounds improvements. An additional \$5.00 will be taken from each exhibitor's check to pay for scale repairs and maintenance.

N. Market animals must be accompanied by a signed affidavit (health certificate) stating that they have been fed no feeds containing prohibited proteins derived from ruminant animals. Also, that all pharmaceuticals and chemicals have been used in compliance with label directions and withdrawals. Lambs must have a scrapie tag.

O. Market animals must be accompanied by a signed County of Origin (COOL) affidavit.

P. Any re-auction of an animal or initial auction of merchandise for the benefit of a party other than a 4-H or FFA youth shall be done at the conclusion of the animal sale. This animal re-sale or initial sale of merchandise will not be part of the livestock auction and is not the responsibility of the Host. The resulting financial transaction will be the responsibility of the beneficiary to collect and complete.

Q. Purchase payments are due and payable at the end of the auction. The Host will collect a late fee equal to one and one half percent of the outstanding purchase balance from buyers each time they exceed a period of 30 days beyond the conclusion of the auction. Late fees collected shall not be subject to the withholdings in paragraph two and five. Late fees will be distributed to the sellers on a prorated basis whose payments are being delayed by the slow payment.

4-H/FFA MARKET STEER CARCASS CONTEST

All steer that data can be obtained for will automatically be entered into the carcass contest. The outstanding carcass will have their names placed on the rotating trophies sponsored by the Stockgrowers. 4-H/FFA Carcass Awards will be given at 4-H Achievement Day.

4-H COUNTY FAIR AWARDS 2013

To all of our Sponsors, Donors and Supporters. With your kind and generous donations, you have made these awards possible for many of our youth in 4-H. Thank you. We appreciate it!

4-H COUNTY FAIR AWARDS 2014

Special county fair awards are provided by the donors listed below. As soon as the contest is finished, please send the names of the winners (and their contest) directly to the sponsoring association. They will send all the award checks to the county Extension office rather than to indi-

vidual winners, to help save on postage. The donor representatives *LOVE* to receive "thank you notes" from the 4-H members; it helps keep their donations coming to 4-H. Please remind your members to write a thank you note when they receive one of these awards. Donors do not want to be contacted by the counties with questions about the awards.

Oregon Dairy Women do not wish to be contacted for additional donations besides those listed below. If you have any problems or questions, please contact Roberta Lundeberg at 541.737.9595 or Roberta.lundeberg@oregon-state.edu

The **Oregon Dairy Women** request that counties send the name of the contest/exhibit, number of winners and the amount of each award. **The donor will write one check per county for all award winners, made payable to the "_____ County Leaders' Association".** The money will then need to be distributed to the 4-H members by the County Leaders' Association. Many times 4-H members do not cash or deposit the awards checks, which then creates accounting difficulties for the donors.

Oregon Dairy Women Awards:

Demonstrations, Illustrated Talks, Public Speaking, Impromptu Speaking- Junior:

(Emphasizes dairy foods or dairy cattle production or management)
