

# 2015 Grant County Fair presents **Brady Goss Band**

**August 6th & 7th  
Grant County  
Fairgrounds**

Brady Goss (piano & vocals) started playing piano at a very early age. Today with his band mates Josh Baruch (drums) and Tom Carper (bass), he is recognized as an amazing entertainer. Those who have seen his live shows are caught by his incredible keyboard speed then reeled in by powerful vocals that encourage fans to relax and have a good time. Influences such as Jerry Lee Lewis, Hank Williams, Eric Clapton, The Eagles, Stevie Ray Vaughan, and John Mayer might characterize him as Blues, 50's Rock 'N Roll, Classic Country, or Classic Rock, but Brady's own unique style makes him truly one of a kind.

His presence on stage is remarkable, but his friendly, small town, regular kid, personality will convince fans of diverse musical desires and backgrounds to come along with him on the musical journey that will have everyone and especially Brady just having a blast.
