

Thank You Firefighters, Personnel and Volunteers!

Photo contributed by Ty,
a firefighter from out of
the area, working on the
Canyon Creek Complex
Fire.

On behalf of our entire community, the Blue Mountain Eagle would like to thank the brave firefighters risking their lives to battle the Canyon Creek Complex Fire.

Thank you to the many personnel and countless volunteers who have provided assistance behind the scenes, helping to coordinate both firefighting and disaster relief efforts.

Your dedication to the community is an inspiration to us all, and we are very grateful for everyone's hard work.
