Patient Portal

Blue Mountain Hospital and Strawberry Wilderness Community Clinic are excited to announce that we now offer a Patient Portal! The Patient Portal is a secure tunnel connection with our healthcare

system that allows you to view your health information as well as send messages to our staff and schedule appointments at Strawberry Wilderness Community Clinic. The Patient Portal allows you electronic access to your health information anytime, anywhere. It gives you the ability to view your lab results, diagnostic tests, visit summaries, allergies, medications, appointments, and past medical history at your convenience. The Patient Portal is a great tool for tracking your health and enables you to work closely

with your primary care provider to maintain your well-being and the lifestyle that you enjoy. Please contact us today to sign up for the Patient Portal at (541) 575-1311 or (541) 575-0404. We look forward to hearing from you!

The Lab is now open at 7:00AM

Blue Mountain Care Center was honored with

THE BEST NURSING HOMES IN OREGON AWARD, 2015

A prestigious recognition bestowed by US News & World Report

This is a high compliment to the excellence in care and service delivered under the leadership of Brandi Grove, Administrator/RN (pictured).

Congratulations, Brandi and Team!

BLUE MOUNTAIN CARE CENTER Resident of the Month JACQUELIN WINEGAR

Jackie was born on May 28, 1939 to Tye and "Jake" Jewel Lily Rennels, in Redmond, Oregon. She had one brother.

Jackie married Ray Winegar in 1962. They had 4 boys and a girl. She has 13 grandchildren and 5 great-grandchildren.

Jackie taught Sunday School at the Episcopalian church. She also kept all her kids busy with 4-H animals. She started a 4-H sheep club for 9-year-olds. They went to the rodeo nearly every weekend. She also tended bar at the Past Time Tavern. Jackie and Ray moved to Prairie City in 1980 and Ray bought the shingle mill up Dixie Creek. In 1982 they put a claim on a gold mine with friends and enjoyed playing with that for a couple of years.

Jackie was a housewife and enjoyed raising her children. She enjoys visiting, reading, painting, drawing, fishing, working in her rock garden and watching TV. She also enjoyed camping and wildlife adventures, though she only packed a rifle 3 times and prayed she wouldn't see anything. She was Annie Oakley with a pellet pistol, though.

Jackie also loved to jitterbug and dance. She enjoyed hiking to Strawberry Lake to fish. She rode horses and motorcycles. She has had a very adventurous life. Jackie came to the Blue Mountain Nursing Home on April 8, 2010.

Advisory committee member sought

The Northeast Oregon Forests Resource Advisory Committee is seeking nominees to serve on a 15-member Resource Advisory Committee.

The committee's duties include recommending projects and funding to improve forest health, watersheds, roads and facilities on or adjacent to the Malheur, Umatilla and Wallowa-Whitman national forests.

Past projects include: noxious weed control, trail construction, thinning and improvement of fish passage to restore native species.

Advisory committee members will be officially appointed by the Secretary of Agriculture for a term of two years. They will not receive compensation, but a per diem allocation will be made to compensate for expenses associated with attending meetings.

Members must be able to attend one or two full-day meetings each year.

To the extent possible, members should reside within Grant, Baker, Crook, Harney, Malheur, Morrow, Union, Wallowa or Wheeler counties.

COPS & COURTS

Arrests and citations in the Blue Mountain Eagle are taken from the logs of law enforcement agencies. Every effort is made to report the court disposition of arrest cases.
