Tigers strong in face of trials

Team gains experience with hard work

DAYVILLE – The Dayville/Monument football team is working to hone their skills as the season moves along.

The Tigers had a strong start with a 42-6 win over the Alsea Wolverines in their first game of the season last month, but have since faced tougher competition against bigger teams.

JOHN DAY – The Grant Union Prospectors rolled over the Enterprise Outlaws last Friday in a 56-14 rout at Three Flags Field.

Grant Union had a strong start with Cauy Weaver scoring off quarterback Wade Reimers' pass on their first possession.

A short time later Reimers connected with Wyatt Weaver for a touchdown, followed by Garrett McConnell's successful two-point conversion run.

The Prospectors tackled Enterprise for loss of yards, then Garrett Lenz had a sack.

Enterprise was in their red

zone when Grant Union took over on downs; however, the Outlaws scored when the Prospectors fumbled the ball at their 20-yard line, also adding conversion points.

The quarter ended with Grant Union in the lead 14-8.

Grant Union capped a 12-play drive with Reimers connecting with Wyatt Weaver in the red zone, then Hayden Young rushing the ball in for the touchdown.

Other highlights from the second quarter include Eli Humbird recovering a fumble, and a sack by McConnell.

With just 14 seconds left in the quarter, Cauy Weaver scored, with Reimers adding the two conversion points, bringing the halftime score to 28-8.

The Prospectors added 20 points

Ladies, and gents, SWING FOR THE CURE

Families, friends golf in support of loved ones

JOHN DAY – Dozens of pink, red and white balloons floated heavenward at last Saturday's Rally for the Cure golf scramble at the John Day Golf Club.

The release of the balloons is a special moment to honor and support loved ones touched by breast cancer.

Participants attach to each balloon someone's name or a prayer, said Kim Ward, who has been ambassador of the event for 10 years now.

While that is one of the more reflective moments during the Rally, the event also includes a fun golf scramble where teams are encouraged to dress up and decorate their golf carts.

John Day resident Lynda Farrell's team named "Mom and the girls" included her daughter-in-law Sarah Parker of La Grande, and granddaughters Ronda Pade of Terrebonne and Natalie Riley of Redmond.

Farrell said the Rally is something she looks forward to each year.

"It's special to me because I've had quite a few cancer issues in our family – not necessarily breast cancer," she said. "My daughter-in-law is a breast cancer survivor this year. It's hard to describe how awesome the Rally is."

JOHN DAY – It took just a lap or two around the Color Me Free Fun Run course last Saturday for participants to be covered head to toe with a variety of bold hues.

The fun run, held at the Industrial Park in John Day, included plenty of laughter and smiles as nearly 100 participants ran through bursts of colored powder during the event.
