Executive Director: Marla Armstrong

Manager: Ashley Martin

Mission: We are a Christ-centered non-profit coffee house, dedicated to serving and raising up the local community by providing a gathering place, quality drinks and treats in a warm environment that embraces creativity and spiritual growth.

Proudly Sponsored By

Overview: The Corner Cup builds community in a coffee shop atmosphere, with the purpose of encouraging and raising a generation that embraces creativity and personal growth. By offering opportunities for social awareness, we're contributing to the community of John Day, while providing a gathering place for people of all ages.

Our late hours on Thursdays, Fridays and Saturdays offer a social, alcohol-free evening venue where patrons can enjoy speakers addressing cultural and social issues, coffee tasting from different parts of the world, and receptions and displays from hosted artists.

Giving Opportunities: The Corner Cup welcomes all donations to support our mission statement and vision for our community. Examples of suggested donations include: propane for our fire pits (a priority), artist reception refreshments, sponsoring a speaker or event, volunteering to help with future mentoring programs and helping with minor repair projects.
