Fundraising Events: Auctions, yard sales, bazaars, raffles, World Series games, Cycle Oregon rest stops and lunches, bottle drives, Prairie city Panther sweatshirts and t-shirts, and paraphernalia sales.

This group began a log journey to realign and level the football field and complete an 8 lane surfaced track with field event areas at the Prairie City School. Also to realign and replace the lights.

With much help from the entire community, the school, donations, grants and volunteer labor, we hope to see a track meet held in Spring of 2016.
