Fundraising Events:

Annual Golf Scramble, held the last Sunday of August;
Annual Meeting, Dinner and Auction, held Saturday, Oct. 24.

Program Overview:

Blue Mountain Healthcare Foundation is the fundraising arm of Blue Mountain Hospital District, raising money to support medical services and aid in the replacement of key medical equipment for the District's needs.

Over the last 13 years over one million dollars has been raised through fundraising activities and grants.

Mission Statement:

Blue Mountain Healthcare Foundation is a non-profit organization whose purpose is to promote the long-term viability of high quality medical care for residents of and visitors to the Blue Mountain Hospital District service area. The Foundations provides the opportunity and means for friends to support Blue Mountain Hospital services and other area health needs, with income for medical care, equipment and care center services.

Vision:

To ensure that the necessary funds are available for purchase of new technology that will provide high quality care at Blue Mountain Hospital.

Giving Opportunities:

Membership available along with donation opportunities by visiting the website <http://www.bluemountainhospital.org/> and clicking on the Foundation Tab.
