Dear Santa,

I wonder what it is like up there. I wish you knew what I wanted. I am just going to tell you anyway. All I want for Christmas is an iphone 5 and a horse. This year we had to sell my horse because we were moving. So if you could get that I would be very happy!

Love,  
Jaydika Anderson

Dear Santa,

This year I would like a horse because this year my pony died. You should have a reindeer band so up their it would be full of music! I would also like a skateboard so that I could learn how to use one. Is it really that cold up there? People say it is, but is it? I know this might be to much but at a antique shop I saw this really cool typewriter.
