Mrs. Metcalf

Dear Santa,
For my first wish, I wish that Lauryn Pettijohn's uncle Matt will get to wear a Beaver's cheerleading outfit to work, which would be really, really funny! That would mean that he finally will lose the bet and the beavers will win the Civil War!

For my next wish, I would like my sister to get a laptop and my older sister that is at college, a new softball bat. I would like my mom to get a new house with a garage. For my wish, I would like a new softball bat and a pair of indoor Ringer cleats for softball. Lastly, I would like to wish for a lot of happiness for everyone that lost stuff in the fire, and for everyone in Grant County!

Sincerely, Madison Metcalf

Dear Santa
This Christmas I want to give something to others too. So this year for Christmas I hope that my mom gets a massage chair. That can heat itself or cool itself And for my Dad, I hope he gets a bulldog like he's always wanted. For my brother I hope he gets into the college he wants to attend.

For my sister I hope she gets a new curling iron. For my younger brother I hope he gets a toy truck. And for my oldest brother I hope he gets a computer. And all I want for Christmas is for my family to be home for Christmas. Because my family is far apart, I would like us all to be together for Christmas

By, Dakota Ballou

Dear Santa,
How are you doing? I bet you are doing great Santa, can you please make the country of France safe and keep danger away and for the people in the Army to go home to their family. I also want a Jurassic World Zoomerino adomlnis Rex and a Star Wars lego set and finally 7 pennies.

Love, Cooper Alexander Smith Burkard

Dear Santa,
The folks who lost their homes and belongings, I pray that you get everything that is important to you replaced. If Santa could help, that would be great. I would like a rank bucking horse and I would love to spend Christmas with my family. I would like my sister to have a great wedding this summer. Mostly, I just want to have my family with me for Christmas. I don't really need presents, I just want to spend the holiday with my family. Christmas is not really about presents, it is really about being with close friends and family, God and Jesus.

Merry Christmas,
Buster Harmon
