Hi Santa,

I care about my mom. How do the reindeer fly? I want Mom to get a new necklace and new bracelets. Can my dad get a new gun for elk season? Jolynn should get some markers and an eraser. I want Caitlynn to get a toy horse and a toy tiger. Brogan likes blue bears for Christmas. Jonathan should have a green Alpha Bear. Santa, I want for Christmas a pink stuffed horse with a white mane and a pink mane. And make the tail the same. Thank you,
Maddie Cearns

Dear Santa,

Can Mom have a Barbie toy? Can Cousin Keira have an orange haired Barbie with a swimsuit? She also wants goggles to wear in the tub. Cheyanne wants a fishing pole. Dad wants a fishing pole too. Can I have goggles and a little fishing pole? My dog, Haven, wants a dog leash. My cat wants a leash. Thank you! Goodbye Santa.

Hi Santa,

My cousin Jaycee plays with us. I want her to get a border collie. My cousin Averie needs a girl cat named Vanessa.

Mom wants a T.V. with a DVD player. Ours is broken. Dad wants a knife sharpener so he can cut elk and deer.

My sister Hayden wants a baby teddy bear. She loves bears. Harper went to the doctor because she swallowed a nickel and she got a bear that she named Fonzo, and now Hayden wants a teddy bear named Spots.

My other sister named Harper wants another bear that is a mom bear. She also wants a giraffe.

I want a stuffed owl. I want it light blue, gray, and white.

I went to see Santy Claus last year for Christmas. What do you do at the North Pole?

My cat, Spook, wants a cat toy. Lacey, my dog, wants dog treats.

Thank you Santa!

Dear Santa,

I have a question about the North Pole. Where is it even? Can my dad get a knife for deer hunting? Cole would like a knife and a big Millennium Falcon and Hans Solo, Chewbacca, R2D2 Lego set. R.J. might want wheels for his car and a knife. Mom would probably like a big and pink stuffed Care Bear. I just want Hans Solo and X Wing Fighter Star Rider sets.

My puppy, Mojo, would probably like just like one thing-a bone. Rudy, my dog, wants the same bone as Mojo. I have been good and I have been cleaning the bedroom. Mojo was bad one time and he opened one of the Christmas presents.

Love you! Thank you!

Landyn Lewis

Santa,

Can the reindeer fly you to our city? Preston wants three knives, they are pink and purple. My mom wants two phones. They should be gold. One should be for Dad. Dad wants a golden knife. Riley wants a Barbie house. I want a remote control dirt bike and a remote control four wheeler. Patches, my kitty is going to have a baby. Can she have some cat food and a toy? I sat nice when Preston accidentally punched me in the nose. It bled. I was really good.

Thank you Santa!

Wyatt Davis

Dear Santa,

Do the reindeer give us candy? I have been ten times good this year! Can mom get a Barbie? My mom wants a necklace and my dad wants a microwave so he can cook some Hot Pockets. Conner wants a Hulk Smash Mobile car. Maison wants a little glow stick that has a three pointed knife. Can my friend Brooklynn get a Barbie? Can I have a pink My Little Pony Rainbow Dash necklace? I don't know what my mom will get me.

I love you Santa!

Sophia Teel

Dear Santa,

I don't know how the reindeer fly. My dad wants a gun for deer. Can my mom have a red dress? Jayda wants a phone so she can text. Make it black. Erin wants a whole Barbie doll house that's very big. Can she have the Barbie and the horse with it? I want a Barbie House the same size as Erin's. Can I have the Barbie vet animals and Barbie to go with it?

I help my mom dry the dishes. Snooks, my dog, doesn't like to play anything. Can he have a dog bed? Can Belle, my kitty, have cat toys? She claws the couch all the time. This morning she brought a mouse in the house. Oreo, my little cat, wants a cat toy. Bye Santa!
