Dear Santa Clause,
What I would like for Christmas is something that no normal kid would ask for. I would like a ravishing cloth of any color and sewing machine. I also would like a nice desk to put my sewing stuff on and to do my homework at. Santa you might think it's weird for an 11 year old to ask for what I did. I knew that you knew what I wanted because you support any present that a good boy or girl would like.

From
Jennifer Good

Dear Santa Clause,
I'm wondering if you are doing ok. Did you like the snow globe I got you last year? I hope you will like the cookies that I am going to make all by myself. I would like for Christmas is a new pair of muck boots please. May I please get some more paint and a new set of Spider Wick books too please. The reason why I want the muck boots is because I grew out of my old pairs, and I don't have that much paint left. I don't like to use all colors. The reason why I want these books is because I have been reading some of these books and I enjoy them.
Thank you, Love
