PRAIRIE CITY — Orange and black flags flew as the Prairie City Panther track and field team held the April 30 Invitational on their brand new track.

Grant Union girls won with 470 points, with Monument finishing second with 200, Ione third with 150 and Prairie City with 92.

For the boys, Ione won with 224, Grant Union placed second with 206, then Long Creek with 174, Monument with 130 and Prairie City with 116.

Prairie City athletic director Billy Colson said he believes it's been 20 years since the school held their last home meet.

"I know it is exciting for those that helped because they have put a lot of effort into getting the facility to this stage," he said. "There are a lot of community members that put forth a lot of effort, time and money over the past 10 years to get to this point. Through local partnerships as well as some grants we were able to finish the project so that all those that contributed over the years could finally see a finished product."

The track surface work was complete last October, and the final touches, including record-

ing equipment, were finalized last month.

If anyone missed last week's event, Prairie City will host their second event, the High Desert League Meet, on Thursday this week.

Teams invited include: Adrian, Crane, Dayville, Harper, Huntington, Jordan Valley, Long Creek, Monument, Prairie City and Ukiah.

"We would love to have the

community there," he said.

MONUMENT — The Monument track and field team has the finish line in sight, hoping to reach their goals while enjoying the ride.

Darrin Dailey, Monument's new head coach, said he's enjoyed working with the team this year.

"All the returning athletes and all the incoming freshmen were ready to compete from day one," he said.

He said the returning athletes, as well as newcomers to the sport, are equally coachable.

"It didn't take long to find everyone's strengths," he said. "They have their favorite events, yet everyone is also willing to step outside their comfort zone if team goals require it. They really do function as a

team, which track and field doesn't automatically lend itself to."

He said the entire team is making progress with three-quarters of the athletes in the top 10 in district

in one or more events.

"Our runners and jumpers have a good shot this year," he said. "Our throwers are making gains. It's a tough field this year, but noth-

ing is certain until districts."

Dailey was an assistant coach for the team last year, and this season he has help from several assistants who are experts in their respective events.

Jeff Schafer coaches discus, shot put and javelin; Dailey and Earl Pettit coach sprints, hurdles, relays and high jump events, with Pettit also helping the long jump and triple jump athletes; and Chuck Thomas assists the mid-distance and long distance athletes.

There are 11 athletes on this year's varsity team, including four who will graduate.

Next year's team could break 15 with the possible addition of five to seven girls and one boy moving up from the middle school team, coached by Treila Osborne.

The three seniors on this year are Jess Hoodenpyl (junior), Tamara Homan, Maya Thomas and Molly Hoodenpyl.

JOHN DAY — The Lady Prospector softball team made it look easy Friday, blasting the Umatilla Vikings 25-0 and 27-1 at the Seventh Street Complex.

"Our kids can see that their dedication pays off," said head coach DeAnna Nash. "Believe it or not, the first year we played (2009), we had a score like that — that's the difference in the development of the program."

Mariah Moulton pitched the first three innings of Game One with three strikeouts and one walk, giving up one hit.

Cody Jo Madden entered the circle for the last two innings, with four strikeouts, also giving up only a single hit.

Grant Union let loose in the third with nine runs.

The bases were loaded and reloaded in the fourth with 10 runs.

Brianna Zwegardt hit a home run in the inning to bring the score to 25-0.

Eleven Prospectors were in on the hitting, with Janelle King, Moulton and Zwegardt getting two hits apiece.

In Game Two, Zwegardt switched out of the catcher position to pitch the first three innings with five strikeouts and no walks.

Hailey Wright filled in as catcher.

Macy Strong relieved Zwegardt in the last two innings. She had three strikeouts and gave up two hits and one run.

BURNS — Grant Union suffered two devastating losses to the Burns Hilanders Friday, leaving the Prospectors in a tough spot.

Burns won Game One 5-1 and Game Two 10-1, and now Grant Union must win their remaining games to reach the postseason.

"Ultimately, we've got to win out for us to have a shot at district," said head coach Brian Delaney. "We've got to win six in a row. The boys don't have room for errors."

Prospector Hayden Young pitched Game One and Zack Deiter, Game Two. Delaney said both pitched well.

"Hayden had a couple walks that hurt him, but the thing that hurt him the most was the lack of run support," Delaney said.

Both teams had five hits in Game One. Burns scored three in the first inning and added another run in the fifth and sixth.

Grant Union's sole run came in the third inning off Young's RBI double.

The Prospectors tied Burns 1-1 in the fourth in Game Two. Then the Hilanders came back with two in the fifth and seven in the sixth.

Prospector Brady Burch went 2-3 at the plate and scored for Grant Union in the fourth on an error.
