A Solid Foundation

Our purebred herd is run under the same practical conditions as our commercial unit. They are high altitude raised and we cull heavily for calving ease, disposition and milk production.

**Making Things
Grow**

There's no substitute for experience. This is especially true when it comes to agriculture. You've got to have roots in agriculture to be able to offer worthwhile advice to someone who makes their living making things grow. Our ag people know what they're doing. We have years of ag lending experience.

Branches in John Day, Prairie City, Baker City, Pendleton, Burns and Hermiston.
