

FAIR SUPERS

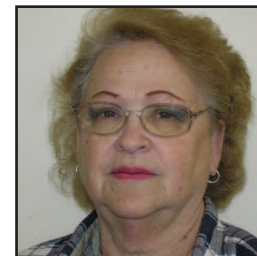

Donna Adams-Ceramics Superintendent-G - I really enjoy all the assorted ceramic items that come to OUR Fair from young and old alike.

Patricia Ross-Fine Art & 3D Art Superintendent-D&E- Has lived in Grant County for many years and is a strong supporter of the arts. YOUTH Art is her passion.

Diane Strasser-Flowers Superintendent-C- For 6 years I have learned about the beauty and variety of flowers grown in Grant County Gardens. The fair booth provides a wonderful showcase for all the hard work and loving care put into creating these beautiful blooms.

Darlene Larkin Crafts & Collections - I've always loved fair time, even as a child when my grandfather, JC Larkin, was Grand Marshall during fair and junior rodeo. Great memories at the Grant County Fair with my brother and I sneaking on grounds. I have crafted as long as I can remember. I was very happy to become a superintendent for crafts. I have been a craft superintendent for at least 10 years and plan on continuing being part of the Grant County Fair, the longest continuous running fair in Oregon.

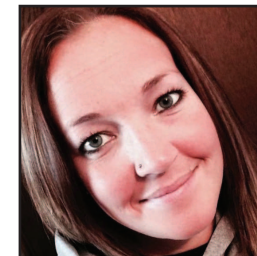

Faith and Tom Hundley Fruits and Vegetables - We enjoy growing fruits and veggies whether for canning, freezing or fresh for the table. With our abundant sunshine in Grant County, we have the opportunity to raise healthy gardens and healthy families. So bring in your fruits and veggies for entry and let the community see your handiwork!

Sue Stovall-Photography Superintendent-I - Sue has been involved in open class photography since 1988. She has an avid interest in photography and is involved in a 4H photo club. She was away from open class for a few years but returned and has been revising it to make it what it is today.

Maudean Brown Textile and Fiber Arts- We have lived in Grant County since 1959. I have 1 daughter, 3 grandchildren and 4 great grandchildren. I have volunteered at the Grant County Fair for many years as a ceramics, crafts and textile superintendent. I really encourage people to volunteer to help at THEIR Grant County Fair.

Heather Rookstool Legos - 541-390-5790 - I moved to Grant County in 2000. I work at Java Jungle and am the Grant County Facilitator for "My future, my choice."
