

# 2016 Grant County Fair presents

SHOWDOWN is a high energy, Nashville honky-tonk style band playing new and classic gold country, with just a hint of southern rock and blues thrown in.

The SHOWDOWN set list is always fresh, built around the latest country material from Jason Aldean, Blake Shelton, Jamey Johnson and Billy Currington, to name a few.

SHOWDOWN also covers classic and outlaw country from Johnny Cash, Merle Haggard, Hank Williams and Waylon Jennings.
