Rules

All FFA members shall follow show rules as listed in the 4-H Livestock Project Rules section with the following exceptions:

1. Junior high FFA members in the summer following their 7th and 8th grade year, who are active FFA members in good standing with local, state and national dues paid, as well as enrolled in an agricultural education program with an advisor approved SAE program, may exhibit.
2. It shall be entirely up to the exhibitor to show or arrange for his animal to be shown in the proper class. See your FFA Advisor with questions.
3. Any question arising and not governed by the exhibitor handbook shall be governed by the FFA Advisor and Superintendents.
4. Entry blanks for all exhibits shall be submitted BEFORE Friday July 17, 2015 to the Agricultural Instructor. NO LATE ENTRIES WILL BE ACCEPTED.
5. Entry Forms for all exhibits shall be submitted by

July 6, 2016 to the AG. Instructor NO LATE ENTRIES WILL BE ACCEPTED.

6. Health requirements are the same as for 4-H Livestock Rules.
7. No artificial calming agents may be used. No natural based calming agents may be used within 12 hours of a showmanship class. A showman should if possible avoid using a calming aid. In the event that the showman deems it necessary to use a calming agent outside the 12 hour restricted time period, they must clear its use with all FFA advisors, notify the County Extension Agent, and make the holder of the animal health record aware of its use, so it can be added to the "treatments" category.
8. All animals not manageable at the Fair will not be acceptable as entries and must be removed from the grounds. The decision shall be the option of the Fair superintendent and shall be final.
9. All FFA animals must be "stalled" in their assigned sections. Any animals not in their assigned area will be disqualified.
10. All beef must be broke to halter and must be double tied with separate ropes (neck ropes and halter rope). All bulls must be broke to nose leads and will be required to have nose leads in place when being shown and/or lead on grounds.
11. All FFA exhibitors MUST submit an up-to-date project record book to verify the exhibit as part of their SAE program. Any project challenged and not substantiated by up-to-date records prior to premium payment will forfeit premium.
12. FFA members wishing to participate in the livestock auction must follow Sale Committee Rules.
13. Chapters may exhibit as individuals if exhibit is owned by Chapter.
14. Any exhibited animals may be used in the Judging Contest at the discretion of the respective Superintendent or exhibitor will be removed from the show.
15. Enterprises carried in 4-H during the current year may not be exhibited in the FFA division by an FFA member.
16. Any FFA exhibitor violating Fair Rules or guilty of undesirable conduct may be penalized by forfeiture of all premiums earned at the discretion of the FFA management.
17. All livestock exhibitors must be accompanied by their chapter advisor or an officially designated replacement by the district superintendent. Officially designated replacements must be listed at the FFA office. Members not so accompanied will not be allowed to show.
18. Official dress for Oregon FFA livestock exhibitors: white shirt/blouse, official FFA tie/scarf and official FFA jacket zipped to the top (unless specifically directed by the show ring judge to remove jackets). Black pants/slacks or jeans, closed toed sturdy shoes or boots. (Official dress must be worn at the awards presentation, during the market animal auction, and while exhibiting a project registered in any of the FFA divisions).
19. All FFA members selling market animals at the market stock sale will submit a handwritten, buyer's thank you letter on official FFA stationery or stationery

approved by their respective FFA advisor. These letters will be turned in to their respective FFA advisor prior to their checking out on Sunday afternoon of fair. Individual's market sale checks will not be awarded until buyer thank you letters are received by the chapter advisor.

FFA SHOWMAN'S CREED

As a showman, I believe in being honest and not taking unfair advantage of my fellow FFA members: I am proud to be a member of the FFA and subscribe to its Code of Ethics and I demonstrate good sportsmanship at all times.

I believe in the humane treatment of all animals under my care. I treat them with respect and provide for their well being at all times. I do not use abusive nor questionable techniques when showing my animals, or do I resort to fraudulent, illegal or deceptive practices when fitting them for show.

I believe that my participation in the FFA Livestock Program should serve to demonstrate my own ability and skill as a feeder and fitter. I do my own work and accept only advice and support from others.

I am proud of the official FFA jacket and do not allow or participate in activities that serve to discredit it or the chapter it represents. I am confident in my own abilities in the show ring and do not need, nor, will I tolerate coaching from the sideline. I quickly follow the instructions of the officials and do my best to make the show better for everyone.

I understand that I have an important role in educating the public about animal agriculture. I take this responsibility to the FFA and my industry seriously.

DIVISION 1 – FFA MECHANICS

SPECIFIC DEPARTMENT RULES

- I. All farm shop exhibits must be products of agricultural education students or active FFA members during a year.
- II. No shop exhibits previously displayed at the County Fair will be allowed to compete for prizes.
- III. The Superintendent in charge will have the authority to assign the exhibits to their proper classes as they see fit.
- IV. Projects must be complete.
- V. Batteries are to be disconnected from power-driven projects.
