**FUNDRAISING EVENTS:**

**Family Fun Day** – held the third Saturday of June from 11:00 – 3:00 p.m. and designed to celebrate the simple fact that *Families Matter In Our County*.

**Hilton Half** – This run, is held in September, features views of Strawberry Mountain and the John Day Valley. Options include a 1/2 marathon, 10K, 5K, or Kids K.

**PROGRAM OVERVIEW:**

Families First Parent Resource Center provides a variety of parenting education opportunities and support.

**Parents As Teachers Home Visitation**

Parents as Teachers (PAT) is an early childhood family support and parent education home-visiting model. Families may enroll in Parents as Teachers beginning with pregnancy and may remain in the program until the child enters kindergarten.

**Frontier Healthy Families Oregon Home Visitation**

This program requires us to screen all families in the target population for Grant and Harney County. We do this by using the New Baby Questionnaire (NBQ) to identify families that are at risk.

**Active Parenting**

Two Active Parenting series (6 sessions per series) are offered each year. These sessions give parents skills to achieve a fuller, more satisfying family life... and help their children achieve greater happiness and success.
