Dear Santa,
How are you Santa, the reindeer, and Mrs. Claus doing. I almost forgot to ask how your toy factory and your elves are. I am doing great. Do you know what I want? I want an iPod for Christmas. My brother wants a Play Station 4 for Christmas. I hope you have a safe trip and milk and cookies.

Dear Santa,
What has Mrs. Claus been doing? Is it old at the North Pole? How are the reindeer, are they ready for the flight? My sister and I got our Elves on the Shelves on December 1st, they left us a silly note. I moved into a new house, but I'll be with my Grandma in Twin Falls, Idaho at Christmas. My sister wants Legos, my dog wants a new dog bed, and I want a horse blanket for my horse. I hope you give presents to the people who need them. I hope you have a safe trip. I will leave you milk and chocolate chip cookies. Merry Christmas to Mrs. Claus and the Elves and you.

Love,
Reece Jacobs

Dear Santa,
What have you been doing at the North Pole? What has Mrs. Claus been doing? What have the reindeer been doing too? How cold is it at the North Pole? Is it easy to fly around and give presents to everyone? I want Call of Duty Ghost for Christmas. I hope you have a safe trip.

From,
Maison

Dear Santa,
How are you doing up at the North Pole? Are Rudolph and the other reindeer doing well? Santa, I have moved from Boise to Prairie City, and I like it. One thing I want is a Phantom 4. It's a drone that flies in the air. Well, have a safe trip. I'll leave you some milk and cookies.

Yours,
Colby

Dear Santa,
How are you? Is it cold at the North Pole? Thank you for bringing me present every year. I've been getting ready for our Christmas program.
