Also, if you forgot, my brother wants the game Dungeons and Dragons. I have been trying to help out as much as I can. Did you hear I was donating to the Tree of Joy? Please don't put me on the naughty list. You probably already know, but I am very curios, so I was wondering, do you live in an igloo or a house? Do you take summer vacations? If you do, send me a post card. Currius again, but is your credit card bank of america, because then you get point points on your flights? I hope I am on the mice list.
