Malheur National Forest

Dove Vegetation Management Project

Objection Period

Dove Vegetation Management Project Environmental Assessment and draft Decision Notice are now available for review and objection. The Malheur National Forest is proposing vegetative treatment activities on about 26,000 acres of forested areas to move towards historic ecosystem conditions. Restoration treatment activities are proposed on forested and non-forested areas to improve other resources within the project area. Miles of open road in the subwatersheds would be reduced by 8% of current levels in order to reduce sediment in the area streams, reduce disturbance of wildlife species, reduce maintenance, and meet Forest Plan road density standards while meeting other management objectives. Malheur National Forest Supervisor Steven Beverlin is the Responsible Official for this project.

This project is subject to objection pursuant to 36 CFR 218, Subpart B. Objections regarding this project may be filed in any of the following formats: (1) Postal Delivery: Regional Forester, Objection Reviewing Officer, Pacific Northwest Region, USDA Forest Service, Attn. 1570 Appeals and Objections, PO Box 3623, Portland, OR 97208-3623; (2) Emailed to: objections-pnw-regional-office@fs.fed.us. Please put OBJECTION and the project name in the subject line. Electronic objections must be submitted as part of an actual e-mail message, or as an attachment in Microsoft Word (.doc), rich text format (.rtf), or portable document format (.pdf) only. E-mails submitted to addresses other than the ones listed above or in formats other than those listed above or containing viruses will be rejected. It is the responsibility of the objector to confirm receipt of objections submitted by electronic mail. For electronically mailed objections, the sender should normally receive an automated electronic acknowledgement from the agency as confirmation of receipt. If the sender does not receive an automated acknowledgement of receipt, it is the sender's responsibility to ensure timely receipt by other means; (3) Hand delivered to: Pacific Northwest Regional Office, 1220 SW 3rd Ave., Portland, OR 97204. Hand deliveries can occur between 8:00 AM and 4:30 PM, Monday through Friday except federal holidays; or (4) Faxed to: Regional Forester, Attn: 1570 Appeals and Objections at (503)808-2339.

Objections must be postmarked or received by the Reviewing Officer, Regional Forester, within 45 days from the date of publication of this notice of objection in the Blue Mountain Eagle and the Burns Times Herald. The publication date is the exclusive means for calculating the time to file an objection. Those wishing to file an objection to this decision should not rely upon dates or timeframe information provided by any other source. Issues raised in objections must be based on previously submitted specific written comments regarding the proposed project or activity and attributed to the objector, unless the issue is based on new information that arose after the opportunities for comment. The burden is on the objector to demonstrate compliance with this requirement for objection issues.

An objection must include a description of those aspects of the proposed project addressed by the objections, including specific issues related to the proposed project; if applicable, how the objector believes the environmental analysis or draft decision specifically violates law, regulation, or policy; suggested remedies that would resolve the objection; supporting reasons for the reviewing officer to consider; and a statement that demonstrates the connection between prior specific written comments on the particular proposed project or activity and the content of the objection, unless the objection concerns an issue that arose after the designated opportunities for comment.

The Responsible Official may not issue a decision for this project until the Reviewing Officer has responded to all pending objections. When no objections are filed within the 45-day time period, implementation of the decision may occur on, but not before, the fifth business day following the end of the objection-filing period.

The environmental assessment (EA) and draft decision notice can be accessed on the Forest Service Website at: <http://www.fs.usda.gov/project/?project=45415>. A paper copy of the documents or additional project information can be obtained by contacting Melissa Ward or Lori Bailey at the Emigrant Creek Ranger District office, 265 Hwy 20 South, Hines, Oregon 97738; 541-573-4300, or by email at comments-pacificnorthwest-malheur-emigrantcreek@fs.fed.us.
