In Monday's game, Prospector pitchers Mariah Moulton and Cody Jo Madden, both juniors, went after the Outlaws to combine for both wins.

Moulton was in the circle to start both games, while Madden finished them off.

Highlights include Prospector senior Ravyn Walker's grand slam and a homer from Prospector sophomore

Hailie Wright.

"The girls worked hard as a team to get the sweep," said Grant Union head coach DeAnna Nash.

Grant Union finished the regular season with a 7-3 league record in the 3A-Special District 2, and 18-5 overall.

Vale was undefeated in league, 10-0, 19-6 overall. Burns and Enterprise tied for third in league, with Burns 5-5 in league, 10-11 overall, and Enterprise 5-5, 8-8.

Hutchison also had two additional first-place finishes in the long jump (16-05.25) and triple jump (34-01.50).

Zoie Rude earned first in shot put with a throw of 37.06.50 and second-place finishes in her other three field events, including javelin, with a personal record of 120-04, discus (107-03) and pole vault (9-06.00).

Rude said she enjoyed the event, despite the weather.

"Being cold was probably the hardest part, but somehow I ended up getting a PR (personal record) in javelin," she said. "We have great support from the team. They are definitely a great group."

Brockway also finished second in the long jump (15.05-75) and the triple jump (32-02.00), where she set a personal record.

The top two placers in each event advance to the state championships in Eugene.

Cates finished third in the 400-meter dash, but will advance to state in that event, as the second-place athlete pulled out of the race.

"This additional event is a plus," Smith said. "We can use it to try and defend our state title."

Chelsie Kodesh in shot put and Reitta Wyllie in discus came close to qualifying but were edged out with third-place finishes in those events.

Prospectors Drew Lusco in discus, Tanner Elliott in the 400 and Gage Brandon in the 110 hurdles placed third in those events, but each also set personal records for the day.

Six Grant Union athletes now continue training for state in 14 events. The OSAA 2A State Track and Field Championships is Thursday and Friday, May 18-19, at University of Oregon's Hayward Field in Eugene.

Your chamber office continues to see a steady increase in activity with summer vacation approaching and the solar eclipse in August. Our volunteers are a real blessing and are keeping very busy with the usual routine, but now dealing with walk-ins and telephone calls seeking information about the eclipse, as well as purchasing posters, t-shirts, solar glasses and an array of other souvenirs commemorating the eclipse. Be sure to attend and get updated at our next eclipse meeting, Wednesday, May 17, at 4 p.m. at the Canyon City Community Hall. We recently completed the remodel of our chamber office front entryway, extending the foyer inward with new walls, windows and a glass door that can be locked inside after hours, allowing visitors the opportunity to still enter 24/7 and pick up information about our local motels, restaurants, museums and other local attractions in the area in hopes of keeping them from passing on through our area. Stop in and take a look! Our guest speaker for our May 18 luncheon meeting will be Irene Jerome, who comes from a pioneer family that homesteaded in Wasco County in 1879 and still in the family. She attended OSU and received her B.S. degree in Forest Management and a post B.A.C. degree in Business and Economics from EOU. She began her career working for the Forest Service as a consultant for them as well as several other lumber companies. She is currently self-employed and is actively involved with the FIREWISE COMMUNITY PROGRAM and also contracts out to the American Forest Resource Council, which is a timber trade organization that represents the forest products community. She will be presenting a slide presentation and offer many ideas on how to better protect your home and property from wildfires. Come to one or both of our meetings. Board meeting at 11 a.m. at the Chamber of Commerce office, and then adjourn to the Outpost at noon for the luncheon meeting. SEE YOU THERE!

A man wakes up in the morning after sleeping on an **ADVERTISED BED**, in **ADVERTISED PAJAMAS**.
He will bathe in an **ADVERTISED TUB**, shave with an **ADVERTISED RAZOR**, have a breakfast of **ADVERTISED JUICE**, cereal and toast, toasted in an **ADVERTISED TOASTER**, put on **ADVERTISED CLOTHES** and glance at his **ADVERTISED WATCH**.
