FFA SHOWMAN'S CREED

As a showman, I believe in being honest and not taking unfair advantage of my fellow FFA members: I am proud to be a member of the FFA and subscribe to its Code of Ethics and I demonstrate good sportsmanship at all times.

I believe in the humane treatment of all animals under my care. I treat them with respect and provide for their well being at all times. I do not use abusive nor questionable techniques when showing my animals, or do I resort to fraudulent, illegal or deceptive practices when fitting them for show.

I believe that my participation in the FFA Livestock Program should serve to demonstrate my own ability and skill as a feeder and fitter. I do my own work and accept only advice and support from others.

I am proud of the official FFA jacket and do not allow or participate in activities that serve to discredit it or the chapter it represents. I am confident in my own abilities in the show ring and do not need, nor, will I tolerate coaching from the sideline. I quickly follow the instructions of the officials and do my best to make the show better for everyone.

I understand that I have an important role in educating the public about animal agriculture. I take this responsibility to the FFA and my industry seriously.
