Dear Friends,

Welcome to the 108th Grant County Fair. RED, WHITE AND BLUE, THIS FAIR IS FOR YOU! The fair board and the fair staff have been working hard to bring the best fair possible to the community, and we have great things lined up for you. During the week, you can enjoy the Old Time Fiddlers, JD K9 Kings, hypnotist and magic acts. Wednesday is free day, thanks to all our wonderful sponsors, with team branding and dog trials in the outdoor arena. Thursday, come down and take in all the amazing talent our community has to offer as they compete in the outdoor arena. Friday will be an exciting night with our 2nd annual concert with Melissa Mickelson opening for Ned LeDoux. We promise you won't be disappointed. Saturday is action- packed, starting with the Grant County Fair Parade at 10 a.m., followed by the Wear Pink 4-H/ FFA auction to bring awareness to breast cancer, and nail biting Freestyle Bull Fighting. Finish the

night off with the not to be missed after party, featuring Nate Botsford performing on the main stage. Please, make sure and see all the 4-H/FFA members' hard work in the Pavilion and the show barns. We're proud to have these kids as a huge part of the Grant County Fair. Also in the Pavilion and barns you'll find friendly competition in our open class departments. We hope you enjoy our grounds and entertainment as you make great memories. The Grant County Fair Board and Staff would like to thank all businesses and individuals for their generous donations to the 2017 Grant County Fair. A special thank you also goes to all the leaders, members, parents, committee members, superintendents, the Grant County Road Department, the County Court and employees and many others who provide assistance in so many ways. We couldn't make this happen without all of you!
