### DEPARTMENT D FINE ART

**Superintendent**

Patricia Ross

**541-932-4856**

1. All entries must be original.
2. No copies or tracings will be accepted for judging.
3. All entries must have been completed since the most recent county fair.
4. All pieces entered must have the exhibitor's name and phone number attached securely to the back. Primary group needs to have age attached.
5. Jr. High, High School and Adult entries must be framed appropriately for medium (oil-framed, watercolor-matted and framed).
6. Entry must have eye screw and wire hanger. NO STRING OR GLUE HANGERS ACCEPTED. Gallery edged canvases need not be framed.
7. Pictures not securely mounted will not be accepted.
8. Objectionable art will not be accepted. The department Superintendent will make such determinations if needed.
9. Art will be arranged for hanging at the discretion of the Superintendent.
10. In case of a sole entry in a class/lot, piece will be judged on its own merit.
11. Superintendent has the discretion to add classes and lots as needed.

### JUDGE INFO

#### RULES FOR CHILDREN'S ARTWORK AT COUNTY FAIR:

Exhibiting artwork at the Grant County Fair is an exciting activity for children. Parents, please help your children present their art in the proper format to be considered.

1. Pictures must be matted with a purchased mat or piece of heavy construction paper cut 2 inches larger on all sides.
2. The art work is to be firmly placed behind the mat with strong tape.
3. Another piece of cardboard cut the same size as mat have two holes where string or wire can be placed and firmly secured to the board. The board is then glued to the back of the mat (string can be knotted on each end to hold securely).
4. After completing the steps above, you will have 3 layers - mat, art work and cardboard back. (Art will be hung with T pins through the mat if there is not a permanent wire or hanger on the back)
5. Dimensional art work (standing out from the surface) must be mounted on a white Bristol board in a permanent manner. This type of work may not be suitable for matting.
6. Please allow at least a week before the fair to prepare the artwork. The people accepting the art work at the fair do not have the materials available to get it ready. Remember, you are protecting your child's work from being knocked down or disqualified by preparing it properly. It must be matted and prepared to be hung to be accepted.

Although the utmost care will be taken in handling artwork, the Grant County Fair will not be responsible for loss or damage from whatever cause.

For each entry select the appropriate class and lot. Only Adult & Professional (Div 2 & 7) must be framed. All others properly matted are accepted.
