

3. The number of animals shown in each class will be at the discretion of the barn superintendent and the judge.

4. The judge may select any number of animals for championship competition if of acceptable quality (e.g. 0, 2 or 5 animals). They must be blue ribbon qualified.

5. Livestock breeding animals exhibited in 4-H/FFA classes may be exhibited in Open Class.

6. Short scrotum (induced or other cryptorchids) are not eligible to show. Intact males may not be sold as market animals.

7. Market animals will not be shown in breeding classes except in dam and produce classes.

8. We support and encourage the humane treatment of all animals. Exhibitors are expected to treat their animals with respect and provide for their continuous well-being through proper feeding, handling, disease prevention, sanitation and attention to their safety.

S. Fair Classes — Showmanship (Required):

1. EXHIBITORS MUST ENTER ONE SHOWMANSHIP CLASS AND ALL PORTIONS OF THE LIVESTOCK JUDGING CONTEST.

2. The number of animals in each class will be at the discretion of the barn superintendent and the judge.

3. Animals used for showmanship **must be entered** in a 4-H/FFA market or 4-H/FFA breeding class. Animals shown must be recognized as the member's animal by 4-H/FFA.

4. The 4-H/FFA division is a youth show. **All care and fitting must be done by the 4-H/FFA member.** (Member should be able to demonstrate care and fitting techniques if asked.) Involvement of adults must be limited to advising. Any 4-H/FFA animal fitted for show by adults or professionals is ineligible for premiums or show. 4-H/FFA animals must be fitted in the barn area. (Violations of this rule are to be reported to the 4-H agent and FFA instructors. 4-H/FFA members receive a warning for the first violation (from the 4-H agent and executive committee). 9. Showmanship class order will be Seniors first, Intermediates second and Juniors last.

10. Showmanship champions are eligible to compete in the Master Showmanship Contest. If a member qualifies in two species (or more) he or she must choose which animal species they prefer to show. Those members who qualify for the Master Showmanship Contest (including small animals and horses) will

use the animal they qualified with and start the contest with their own animal. Organization of the contest is at the discretion of the livestock superintendents, the Extension Agent and the FFA Instructors.

T. Stock may be sold in the barns only if approved by the appropriate barn superintendent. The 4-H program is NOT responsible for animals sold outside the auction; the transaction is between the seller and buyer.

V. 4-H exhibitors must at all times give the necessary personal attention to their exhibit and at the close of Fair must take entire charge of same, **including cleaning of stalls and pens.** There will be a financial penalty for those not cleaning their pens after the Fair, as per Fair newsletter.
