Bike, pedestrian committee seeks members

The Oregon Bicycle and Pedestrian Advisory Committee is seeking two new members: one local government/land use planning member and one at-large member.

The eight-member volunteer committee, appointed by

the governor, acts as a liaison between the public and ODOT. It advises ODOT in the regulation of bicycle and pedestrian traffic and the establishment of bikeways and walkways. Members serve four-year terms.

The committee was first formed by Oregon Statute 366.112, a bill passed in the 1973 Oregon Legislature. In 1995, the Oregon Transportation Commission officially recognized the committee's additional role in pedestrian issues, and the group became the Oregon Bicycle and Pedestrian Advisory Committee, or OBPA.

Throughout the year, the committee gathers input from residents, officials and ODOT staff as it considers bicycle and pedestrian transportation-re-

lated issues. The committee meets up to six times per year, with several of those meetings in locations outside of the Salem area; travel expenses are reimbursed. Upcoming work items include input on the new Safe Routes to School program, ODOT's Active Transportation Section and the department's intermodal policies. Interest forms are available online. The deadline to apply is Aug. 31.

For questions about the appointment process, contact Judge Kemp, Boards & Commissions manager, 503-378-2317.

For questions about the committee, contact Sheila Lyons, ODOT Bicycle & Pedestrian Program manager, 503-986-3555, sheila.a.lyons@odot.state.or.us.

A man wakes up in the morning after sleeping on an ADVERTISED BED, in ADVERTISED PAJAMAS.

He will bathe in an **ADVERTISED TUB**, shave with an **ADVERTISED RAZOR**, have a breakfast of **ADVERTISED JUICE**, cereal and toast, toasted in an **ADVERTISED TOASTER**, put on **ADVERTISED CLOTHES** and glance at his **ADVERTISED WATCH**. He'll ride to work in his **ADVERTISED CAR**, sit at an **ADVERTISED DESK** and write with an **ADVERTISED PEN**. Yet this person hesitates to advertise, saying that advertising doesn't pay. Finally, when his non-advertised business is going under, **HE'LL ADVERTISE IT FOR SALE.**
Then it's too late.

AND THEY SAY ADVERTISING DOESN'T WORK? DON'T MAKE THIS SAME MISTAKE
