Speth said they were able to focus more in the second and third sets. "Imbler's a pretty scrappy team, so we'd make a great

play, and a lot of times it would fall, but they were able to dig some balls and just get some plays out of it," she said. "We had to make sure that we just stayed with it the whole time."

She said the match against Imbler was a chance for the team to show their depth. "So many of the girls contributed both offensively and defensively," Speth said. "Kaylee Wright had a tremendous game at middle and showed her growing diversity as a hitter. Whitney McClellan had a great match serving."

What I like best about my sport: "I like running the ball and being with my team."

Coach's Comment: "This is his first year playing football. He has really improved as a football player, especially as a kick returner. He also plays safety on defense and tailback on offense."
