Fundraising Events: Strut, Stride, Straddle and Stroll and light Up a Life.

Program Overview: Our interdisciplinary team provides medical, emotional and spiritual care and support for patients and their families at the end of life.

Mission Statement: Recognizing death as a part of life and striving to make each day worth living.

Vision: Blue Mountain Hospice will be the primary choice for compassionate, caring, quality healthcare at the end of life.

Giving Opportunities: Donations are accepted and are used to pay for non-insured patients in need of hospice care. We also utilize volunteers to provide care for hospice patients; volunteers are a hugely important aspect to providing quality care!
