Congratulates the 2017 Shelk Community Grants Recipients

- **Allovars-Creative Life Project • Eastern Oregon Trail Alliance**
- **Heart of Grant County**

- The Juniper Arts Council is proud to be partnering again with the John and Linda Shelk Foundation to offer community grants in Grant County. The Council would like to thank the organizations who attended their September training on applying for small grants. A special thank you goes out to all who applied for grants this fall.
- The JAC will be offering another opportunity in the spring of 2018 to apply for a Shelk Community Grant. Watch for details in the newspaper and on the radio early next spring.
- In addition to the Shelk Community Grants, the Juniper Arts Council will be offering Oregon Cultural Trust grant opportunities for organizations promoting the arts and heritage in Grant County. Grant applications will be available soon and funds distributed in early 2018. Again, watch for details in the newspaper and on the radio.
