

Dear Santa,  
My name is Ciera Kae Mabe. I think that you are awesome! I have been at a new school for this year, and in the time that I went to school last year to now this year, we (which is my family and me) have moved 4 times! Anyway, what I want to know is what have you been doing since last Christmas? How do you get through houses without chimneys? Do you use doors too? All I want for Christmas is one thing, Project McSquare. I hope I will see you soon. Bye Santa! Happy to talk to you!

Love Ciera Kae Mabe.

Dear Santa,  
Can you please give me a remote control helicopter and a puppy and a transformer and a Lego dinosaur? How are the reindeer doing? Does your sleigh really run on Christmas spirit?

From Preston Fretwell

Dear Santa,  
this is Riley Gregg. You know how last year you signed your name on my list thing? Thank you for doing that. Taylor on the other hand, she is funny and can get into trouble. Our tree might be a little different. I liked that one time I saw you in Boise! That was cool! Oh, I forgot! I would like a Martin Truex Junior diecast please. It is a the top of my list. Is that understandable?! I'm not trying to be mean... I want something for J Bird and a NASCAR flag kit too. Please don't worry. I will have cookies and milk. How do you have time to eat all of the cookies so fast when you are traveling so fast? I'll give Taylor a note about J Bird. Can you make it to where she doesn't get pecked by him?
