Now I want Farycry 4, Ark, Shodwos of war, Lego seats, Farcy 5, Just Caus 3, and gears of war 4 and all of them for xbox one. My mom wants a cooking pot. My sister wants a new MC squer. Get my little sister nurts a Mickey mouse set. My littler brother wants a toy.

Thanky Santa, Tristan.

Dear Santa,
This Christmas I do not want a lot but what I want a lot of is for the world to stop fighting, stop the wars where people die everyday, even children who don't have a life because they are fighting wars all the time. Make sure that kids that are poor or kids that don't have any money have food to eat and water to drink because they don't have the money to go to the store and spend \$100 on food and water that they have for a week because they eat as much as they can and some kids don't get to eat anything for a week or more. I just wish that everyone was safe and loved. This is my Christmas wish.

Sincerely,
Savannah Watterson

Dear Santa,
This year for Christmas I don't want anything for myself. Instead I would ask you to stop hunger around the world. Also. I would for the wars to stop around the world so people/kids wont get hurt. Finally I would wish that kids will stopped getting bullied for how they look or what they wear.

Dear Santa.
This year I wish nothing for me but so that families that can not afford a home or food to be ok and find a nice work. Next, I wish also that peace on the Earth and that we can all just get along cause we are all Americans. Finally, I ask that bullying will stop and kids can feel safe in school.

Dear Santa,
For Christmas this year I don't want anything for myself. Instead I'd rather have no kids or anyone be made fun of. And to have every kids have enough food every day. And every person has friends and someone who loves them. Someone they can trust.

Dear Santa,
For Christmas I would wish 3 things for others. My first wish would be that the people in the world who are sick or need food could get what they need. My second wish would be that the wars could stop and people wouldn't get hurt. My last wish would be the people who are in need of medicine could get it.

Dear Santa,
This year for Christmas I don't want a lot but this letter is not for me, its for the world. This year I want people to have a house instead of living on the road. I want people to stop bullying kids for their looks. My last thing I want is for people to stop getting hurt like I want wars to stoop because so many people lose their families. That's my Christmas list.

Dear Santa,
My name is Morgan. I would not like anything this Christmas. This year, I would love to give kids books, clothes, and toys to all of the kids who are fighting for their lives in hospitals all around the world, such as cancer, tumors and more. This is my wish to kids and adults. I will wish it, Dream it, and DO IT!

Thank you Santa
