Dear Santa,
My name is Orion. I love you, Santa! I like your reindeer and the presents you make. I hope you made lots of storm troopers! I would be so proud of you if you did! I heard you live at the North Pole. What is it like up there? This week we started learning to play songs on the bells for our Christmas play at school. For Christmas this year I want good and bad guy storm troopers from Star Wars. Thank you, Santa!

Dear Santa,
My name is Natalli. I am writing a Christmas letter to you! How is everybody doing today? I was just wondering if you are not sick. I hope you are not sick, but if you are I am not going to cry for Christmas. Although, I absolutely LOVE Christmas! I would like to know if I could have a car, a small car that I can drive around in. That would be legal, if it's the kid kind with batteries. I will leave you strawberry milk and chocolate chip cookies, along with this letter to you! So, I hope you come to my house!

Sincerely, Natalli
