Dear Santa,

I think my mom wants a necklace chain or something like that. You won't believe what these people want these days you know. I think my dad wants the cattle market to be good. My sister Blake wants a baby doll or barbies. I want a hover board to cruise around on. Well have safe trip back to the North Pole.

Dear Santa,
How are you doing in the North Pole? What my family would like for Christmas is my brothers would like some toys. Usually they will be satisfied with anything. My mom would probably just want us kids to have a good Christmas. My dad would probably like some new tools. I would like pretty much anything along with my brothers. Hope you have safe travels.

Do you still want cookies? I have had a good year because it's snowed and it's been warm. I would like you to get my sister a baby doll. Will you get my brother a camera, please? Would you get my mom a green keychain and my dad a new pair of work overalls. Please get me a purple 12" by 14" laptop? I hope you have a good travel around the world.

Dear Santa,
Who is your favorite reindeer? Are you having a good year? I am. I think my mom would like a new washing machine or a new dishwasher. My brother would probably want astronaut ice cream or Star Wars legos. My dad would probably want another puppy or dog. I don't know what I want for Christmas, maybe a horse. I hope you have safe travels around the world.
