**JOB OPENING NOTICE
OREGON TRAIL ELECTRIC
COOPERATIVE**

Senior Network and System Administrator/Analyst
Oregon Trail Electric Cooperative (OTEC), has an immediate opening for a Senior Network and System Administrator/Analyst to be based at headquarters in Baker City, Oregon.

This salaried exempt position provides technical leadership over the enterprise computing environment which includes designing, engineering, installing, configuring, maintaining and supporting enterprise computer networks, hardware, software and mobile devices. The person in this position will develop innovative technical solutions to enhance productivity for the organization and cultivate and maintain an in-depth knowledge of current and emerging computer and information technologies.

Applicants must have a Bachelor's Degree in Computer Science or related technical discipline or five years of technical experience supporting an enterprise computer environment. Applicants should have experience installing, operating, and maintaining hardware and operating systems including virtual environments and experience with Windows operating system imaging, build, deployment, and lifecycle management. Experience with LAN/WANs, network planning, and the administration of routers, switches, firewalls, and VPNs is required. The successful candidate will have knowledge of the components of a security infrastructure including domain controllers, security applications, and anti-virus. Problem solving and research skills are required as well as the ability to communicate clearly and precisely with fellow employees. CISCO and Microsoft certifications are a plus.

Duties and responsibilities are detailed in the job description posted at our website shown below. The successful candidate must possess or obtain, and maintain a valid Oregon driver's license.

OTEC has 80 employees and four district offices serving over 30,000 consumers located in eastern Oregon. Surrounded by national forest lands, our service area is known for its excellent hunting, fishing, skiing, and other outdoor recreational activities. OTEC offers a competitive pay and benefits package.

Please mail your application with resume to the attention of Human Resources, PO Box 226, Baker City, OR 97814 or email to humanresources@otecc.com. The OTEC employment application is available at <https://otecc.com/careers> or by request at any local WorkSource Oregon office. This position is open until filled and the selection process will begin January 29, 2018.

PRODUCTION OPERATOR

Purpose: This position is responsible for effectively operating the plant equipment to ensure the quality and quantity of ethanol fuel production is optimized.

Environment: Pacific Ethanol is the leading producer and marketer of low-carbon renewable fuels in the western United States. With the addition of four Midwestern ethanol plants in July of 2015, we have expanded our operations and sales footprint, more than doubling our scale, entering new markets, and expanding our mission to become the industry leader in the production and marketing of low-carbon renewable fuels.

Essential Duties and Responsibilities: Operates equipment to achieve optimal performance; Adjusts equipment settings to ensure the ethanol produced meets quality and quantity expectations; Inspects and maintains the equipment to ensure proper processing; Inspects the quality and of the product and documents the result at certain intervals of the production process; Completes daily shift production logs; Coordinates with lab technicians to ensure product quality; Investigates monitors and reports deviations from production standards.

Qualifications: High School diploma or equivalency. Excellent computer skills; familiarity with operation software. Excellent hand-eye coordination; Safety cautious. Experience working with lab testers and plant equipment. Ability to follow directions, and work well with little supervision. Excellent written and oral communication skills. Ability to safely and effectively coordinate multiple projects/tasks. Bilingual skills are (English/Spanish) preferred. Must have the ability to work different shifts and overtime. This includes the possibility of short-term and long-term shift reassignment to match the needs of the business.

To apply, and for a full list of responsibilities, qualifications, and physical requirements, please go to www.pacificethanol.net/careers
