NOTICE OF BUDGET COMMITTEE MEETING

A public meeting of the Budget Committee of the City of Long Creek, County of Grant, State of Oregon, to discuss the budget for the fiscal year July 1, 2018 to June 30, 2019 will be held at the Community Hall, 270 West 2nd, Long Creek, Oregon. The meeting will take place on the 12th day of April 2018 at 6pm.

The purpose of the meeting is to receive the budget message and to receive comment from the public on the budget. A copy of the budget document may be inspected or obtained on or after April 5, 2018 at City Hall during regular office hours.

This is a public meeting where deliberation of the budget committee will take place. Any person may appear at the meeting and discuss the proposed programs with the budget committee.

Early Notice and Public Review of a Proposed Activity in a Floodplain and Wetlands

To: All interested Agencies [U.S. Army Corps of Engineers (USACE), Oregon Department of State Lands (DSL), Oregon Department of Land Conservation and Development (DLCD), Oregon Department of Fish & Wildlife (ODFW), Federal Emergency Management Agency (FEMA), U.S. Fish and Wildlife Service (USFWS), U.S. Forest Service-Malheur, Eastern Oregon Regional Solutions Center, and Grant County, Oregon], Groups and Individuals [North Fork and South Fork of the John Day Watershed Council, and Harney County Watershed Council], and residents of the City of Seneca and Grant County. This is to give notice that **Responsible Entity (City of Seneca) under Part 58** has determined that the following proposed action under **State-administered Community Development Block Grant and P16007** is located in the **floodplain and wetlands**, and the **Responsible Entity** will be identifying and evaluating practicable alternatives to locating the action in the **floodplain/wetland** and the potential impacts on the **floodplain/wetland** from the proposed action, as required by **Executive Order 11988 and 11990**, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Protection of Wetlands.

The proposed action will include boring under the Silvies River, a floodway unmapped by FEMA or other agencies, and crossing two small strips of Riverine and Riverine/Freshwater Emergent Wetlands. Total impact on wetlands should be under 50 cubic meters, at approximately 0.03 acres.

The \$3,500,000 proposed action, funded through HUD's Community Development Block Grant program and OBDD's Water Wastewater Financing Program, is a sewer system improvement project in the City of Seneca, Oregon. The project can be divided into two main categories: (1) new construction of a force main and wastewater treatment plant west of the main City development and (2) rehabilitation of existing sewer collection system throughout the City's urban footprint. HECO Inc. estimates Total ground disturbance of the two strips of wetlands will be under 50 cubic meters. The proposed action's project elements location in relation to floodways, floodplains, and wetlands is described below.

- Project element: New construction.
 - Floodplains/FEMA potential impact: All new construction takes place in area unmapped by FEMA. However, the Silvies River acts as a floodway and the project will involve boring under the Silvies. A second crossing will occur across Shirttail Creek, but it will not require an additional bore – there is a culvert already in place to accommodate the crossing. Wastewater treatment plant construction will take place entirely outside of the floodplain.
 - Wetlands/NWI potential impact: New construction of the new force main and wastewater treatment plant has been aligned to minimize wetlands impacts during the crossing of the Silvies River and Shirttail Creek. The Silvies River includes wetlands and riparian areas nearby. HECO, the project engineers, estimate disturbance and digging in the wetlands will be less than 50 cubic meters. Shirttail Creek is listed as Freshwater Emergent Wetland and small areas around Shirttail near the potential crossing are identified as Riverine. Crossing Shirttail will not require new boring because there is an existing culvert feature that will accommodate the crossing. Wastewater treatment plant construction will take place entirely outside of the wetlands and there will be a 25' offset between the reuse area and the Shirttail Creek wetlands area.
- Project element: The rehabilitation of existing sewer collection system elements
 - Floodplains/FEMA potential impact: Rehabilitation of existing collection lines will take place entirely within Zone C "Area of minimal flood hazard, usually depicted on FIRMs as above the 500-year flood level."
 - Wetlands/NWI potential impact: No wetlands near the rehabilitation project areas.

The proposed project(s) is located in **City of Seneca, Grant County, Oregon**. There are three primary purposes for this notice. First, people who may be affected by activities in **floodplains/wetlands** and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Commenters are encouraged to offer alternative sites outside of the **floodplain/wetland**, alternative methods to serve the same project purpose, and methods to minimize and mitigate impacts. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about **floodplains/wetlands** can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in **floodplains/wetlands**, it must inform those who may be put at greater or continued risk. Written comments must be received by the **City of Seneca** at the following address on or before **April 13, 2018**:

City of Seneca
106 A Ave/ PO Box 208
Seneca, Oregon 97873
541.542.2161
Attention: Josh Walker, Public Works Director/Project Manager. A full description of the project may also be reviewed from **9 a.m. to 2 p.m. at same address as above and on the City website** (<https://www.senecaoregon.com/>). Comments may also be submitted via email to publicworks@senecaoregon.com.
Date: March 19, 2018

NOTICE OF PUBLIC HEARING

Notice is hereby given that the Grant County Court will conduct a Public Hearing on April 11, 2018, beginning at 11:45 a.m. at the Grant County Court, Court Room, 201 S. Humbolt Street, Suite 280, Canyon City, Oregon on the following Road Naming matter:

- A Public Hearing will be held to address naming of a road in response to a petition submitted by property owners. Road naming is necessary in order to promote the health, safety and welfare of the public. Petition number ADD-18-01, was submitted by A. Dean Hicks to request the name Pine Haven Road be assigned to a private road in Grant County. The road is a private road that serves more than three buildings. It intersects with Pine View Road at Township 14 South, Range 31 East, Section 01, W.M. and proceeds generally to the south.

Persons or parties interested or concerned with this subject matter may appear in person before the Grant County Court on April 11, 2018, beginning at 11:45 a.m. at the Grant County Court, Court Room, 201 S. Humbolt Street, Suite 280, Canyon City, Oregon. Written comments must be received in the Planning Department Office, 201 South Humbolt Street, Suite 170, Canyon City, Oregon by 5:00 p.m. April 9, 2018 to be included in the record of the public hearing. Copies of the petition are available for public review at the Grant County Planning Department not less than seven (7) days prior to said hearing.
