

# WE CAN TAKE YOU THERE

A passenger can request a deviation by calling our office at 541.575.2370 a day in advance (by 3:00 pm). The District will not prioritize one type of deviation request over another. A trip to the dentist will be given equal priority as a trip to the candy store.

A passenger requesting a deviation should be ready at the agreed origin five minutes prior to the bus's arrival. There is no dwell time. If the passenger misses the scheduled connection it'll be recorded as a No Show and subsequent deviation requests for the day will be considered cancelled.

With these things in mind, a passenger waiting at a scheduled deviation has the same rights as a passenger at a formal bus stop. The bus and driver will spend whatever time is required to safely board the passenger and his or her mobility devices.
