# MyEagleNews.com/Meetings

#### (Meetings subject to change. Call for confirmation.) ONGOING

Grant County Library is open 1-5 p.m. Monday, Wednesday, and Saturday; 10 a.m.-noon and 1-7 p.m. Tuesday; and 1-5 p.m. and 7-9 p.m. Thursday. 507 S. Canyon Blvd., John Day, 541-575-1992. Canyon Mountain Center offers meditation sittings from 5:30 to 6:15 p.m. on Mondays, Saturday 6:30 a.m. and 7:10 a.m. 767 East Main St., John Day. Call ahead for schedule changes or further information and events. Jim and Sandy, 415-748-8697.

Burns-Hines VA Clinic - Services for Grant County veterans. Immunizations, minor surgical procedures, blood pressure and diabetes monitoring, group therapy for combat PTSD, sobriety and other issues. Lab draws on Wednesdays. Nursing staff and therapy Monday through Friday. 541-573-3339.

Grant County Genealogical Society Research Center - Open 1-4 p.m. Thursdays and Fridays; and 10 a.m.-2 p.m. Saturdays. Parsonage building behind Historic Advent Church, West Main Street in John Day. 541-932-4718 or 541-575-2757. **WEDNESDAY, JAN. 30** 

12 p.m. - Seniors Meal Program at the Prairie City Senior Center,

204 N. McHaley, Prairie City.

6:30-8:30 p.m. – Family History Center, Church of Jesus Christ of Latter-day Saints, 944 East Main, John Day. Access to most major genealogical websites free of charge. All are welcome. More information: 208-221-2252.

7 p.m. – John Day Volunteer Fire Department, fire station. 541-620-4037.

7:30 p.m. - Let Go Group of Alcoholics Anonymous, St. Elizabeth Catholic Parish Hall, John Day. 541-575-0114.

THURSDAY, JAN. 31 9 a.m.-12:30 p.m. - Family History Center, Church of Jesus Christ of Latter-day Saints, 944 East Main, John Day. Access to most major genealogical websites free of charge. All are welcome. More infor-

12 p.m. – Seniors Meal Program and bingo, John Day Senior Center, 142 N.E. Dayton St. 541-575-1825.

12 p.m. - Women's Support, by Heart of Grant County, for domestic violence survivors. Free lunch. 541-575-4335.

6 p.m. - Celebrate Recovery, Cornerstone Christian Fellowship, 139 N.E. Dayton St. 541-575-2180.

FRIDAY, FEB. 1

mation: 208-221-2252.

1 p.m. - Hope4Paws: Grant County, board meeting, OTC Connections meeting room, Main Street, John Day. Public welcome. 541-

1-3 p.m. - Family History Center, Church of Jesus Christ of Latter-day Saints, 944 East Main, John Day. Access to most major genealogical websites free of charge. All are welcome. More information: 208-221-2252.

3-4 p.m. - United Methodist Church, weekly distribution of boxes of food, 126 N.W. Canton Street, John Day. 541-575-1326. 7 p.m. - Whiskey Gulch Gang, Sels Brewery, Canyon City. 541-

575-0329

**7 p.m. – Overcomers Outreach**, Christ-centered, 12-step support group. Living Word Christian Center, House on the Lawn, 59357 Highway 26, Mt. Vernon. 541-932-4910. SATURDAY, FEB. 2 p.m. - Narcotics Anonymous, Cornerstone Christian Fellowship,

139 NE Dayton in John Day. Use the side door. 541-620-8074. **SUNDAY, FEB. 3** 

8:45 a.m. - Redeemer Lutheran Church Council, 627 S.E. Hillcrest Dr., John Day. 541-932-2710.

MONDAY, FEB. 4

10 a.m.-4 p.m. - Grant County Piecemakers Quilt Guild, Shiny Thimble, Mt. Vernon. Sewing from 10 a.m.-4 pm. Business meeting at 11 a.m. Lunch at noon. Call vice president Maudean Brown, 541-932-4503

12 p.m. – Seniors Meal Program, John Day Senior Center, 142 N.E. Dayton St. 541-575-1825

5 p.m. - Monument Soil and Water Conservation District, Monument Senior Center. 541-934-2244, 541-934-2141. 5:30 p.m. – Monument Booster Club, Monument School library.

541-934-2532.

5:30 p.m. - AL-ANON, Families First Building, 401 S Canyon Blvd, John Day. For more information contact: grantcountyalanon@gmail.

6 p.m. - Mt. Vernon Volunteer Fire Department, 541-932-4688. 7 p.m. - Dayville Volunteer Fire Department, fire hall. 541-987-

7 p.m. - Prairie City High School Booster Club, school library. 541-820-3314.

7:30 p.m. - New Leaf Garden Club. Meeting place varies. 541-575-

7:30 p.m. - Outlaw Group of Alcoholics Anonymous, Presbyteri-

an Church in Mt. Vernon. 541-932-4844. TUESDAY, FEB. 5

9 a.m. - Grant County Food Bank board of directors, 530 E. Main

St., John Day. 541-575-0299.

10-11 a.m. – Story Hour and craft project, Grant County Library,

12 p.m. – Seniors Meal Program at the Monument Senior Center.

541-934-2700 5:15 p.m. – Monument School Site Council, school science building.541-934-2646

6 p.m. - Grant County Sheriff's Search and Rescue, Oregon Department of Forestry building. Call 541-575-1131 or 503-913-9899.

6 p.m. - Compassionate Women, support for women who have lost a loved one. Outpost Restaurant. 541-575-1515.

7 p.m. – Venturing Club, Boy Scouts of America, Church of the Nazarene, John Day. 541-575-2765.

7:15 p.m. - Boy Scout Troop 898, John Day Elks Lodge, John Day.

Degree of Honor, Margaret E. Lodge 64, Time and place vary. 541-

#### WEDNESDAY, FEB. 6 7 a.m. - Ministerial Association of Grant County, Outpost Restau-

rant, John Dav.

9 a.m.-3:30 p.m. - Veterans/families services, John Day Elks Lodge. Topics include PTSD services and individual needs. 11:30 a.m.-1 p.m. - TOPS (Take Off Pounds Sensibly), weigh-in, meeting. United Methodist Church library, 126 N.W. Canton St., John

4 p.m. - Humbolt Elementary School Site Council, school library. 541-575-0454.

#### Notice of Preliminary Determination for Water Right Transfer T-12132

T-12132 filed by the Confederated Tribes of the Warm Springs Reservation, PO Box C, Warm Springs, OR 97761 proposes a change in point of diversion under Certificates 24909, 82305, 25097, 25525 and 25885. Certificate 24909 allows the use of 0.967 cubic foot per second from the John Day River in Sec. 12, T13S, R33E, WM for irrigation in Sects. 1 and 12, T13S, R33E, WM. Certificate 82305 allows the use of 0.425 cubic foot per second from the John Day River in Sec. 12, T13S, R33E, WM for irrigation in Sec. 11, T13S, R33E, WM. Certificate 25097 allows the use of 0.071 cubic foot per second from the John Day River in Sec. 12, T13S, R33E, WM for irrigation in Sec. 2, T13S, R33E, WM. Certificate 25525 allows the use of 1.775 cubic feet per second from the John Day River in Sec. 12, T13S, R33E, WM for irrigation in Sects. 2 and 11, T13S, R33E, WM. Certificate 25885 allows the use of 0.006 cubic foot per second from the John Day River in Sec. 12, T13S, R33E, WM for irrigation in Sects. 2 and 11, T13S, R33E, WM. The applicant proposes to move the points of diversion upstream to within Sec. 7, T13S, R34E, WM. The Water Resources Department proposes to deny the transfer, based on the requirements of ORS Chapter 540 and OAR 690-380-5000, due to injury of an instream water right. The Department is seeking recommendations from ODFW and DEQ under OAR 690-380-5050 T-12132 will be denied unless ODFW and DEQ recommends the Department consent to injury of the instream right because T-12132 would result in a net benefit to the resource, and no protests are filed. Any person may file, jointly or severally, a protest or standing statement within 30 days after the last date of newspaper publication of this notice 1/30/2019. Call (503) 986-0815 to obtain additional information. If no protests are filed, the Department will issue a final order consistent with the preliminary determination.

**GRANT COUNTY PLANNING DEPARTMENT** 201 S. Humbolt Street, Suite 170 Canyon City, OR 97820 Phone: (541) 575-1519 Fax: (541) 575-2276 E-mail: gcplan@grantcounty-or.gov

# NOTICE OF PUBLIC HEARING

Notice is hereby given that the Grant County Court will conduct a Public Hearing on February 13, 2019, beginning at 11:00 a.m. at the Grant County Courthouse, Court Room, 201 S. Humbolt Street, Suite 280, Canyon City, Oregon on the following Land Use matters:

1. Public Hearing to address ordinance 2019-02 amending the Grant County Land Development Code. This amendment is a result of Grant County participating in the Model Code Project offered by the Department of Land Conservation and Development. The changes to the code primarily impact the Farm and Forest Zones.

Persons or parties interested or concerned with this subject matter may appear in person before the Grant County Court on February 13, 2019, beginning at 11:00 a.m. at the Grant County Courthouse, Court Room, 201 S. Humbolt Street, Suite 280, Canyon City, Oregon. Written comments must be received in the Planning Department Office, 201 South Humbolt Street, Suite 170, Canyon City, Oregon by 5:00 p.m. February 11, 2019 to be included in the record of the public hearing. Failure of an issue to be raised at the hearing or by letter, or failure to provide sufficient specificity to afford the decision maker an opportunity to respond to the issue precludes appeal to the Land Use Board of Appeals (LUBA) based on that issue. Copies of the ordinance are available for public review at the Grant County Planning Department not less than seven (7) days prior to said hearing. Meetings are accessible to people with disabilities. Accommodations can be arranged, please notify us in advance.

# STATEMENT OF NONDISCRIMINATION

Oregon Telephone Corporation is the recipient of Federal financial assistance from the U.S. Department of Agriculture, and is subject to the provisions of Title VI of the Civil Rights Act of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, the Age Discrimination Act of 1975, as amended, and the rules and regulations of the U.S. Department of Agriculture.

In accordance with Federal civil rights law and the U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, religion, sex, gender identity (including gender expression), sexual orientation, disability, age marital status, family/parental status, income derived from a public assistance program, political beliefs, or reprisal or retaliation for prior civil rights activity, in any program or activity conducted or funded by USDA (not all bases apply to all programs). Remedies and complaint filing deadlines vary by program or incident.

Persons with disabilities who require alternative means of communication for program information (e.g., Braille, large print, audiotape, American Sign Language, etc.) should contact the responsible Agency or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program discrimination complaint, complete the USDA Program Discrimination Complaint Form, AD-3027, found online at http://www.ascr.usda.gov/complaint\_filing\_cust.html and at any USDA office or write a letter addressed to USDA and provide in the letter all of the information requested in the form. To request a copy of the complaint form, call (866) 632-9992. Submit your completed form or letter to USDA by:

- 1. Mail: U.S. Department of Agriculture Office of the Assistant Secretary for Civil Rights 1400 Independence Avenue, SŴ Washington, D.C. 20250-9410
- 2. Fax: (202) 690-7442; or

3. Email: program.intake@usda.gov. USDA is an equal opportunity provider, employer, and lender.

The person responsible for coordinating this organization's nondiscrimination compliance efforts is Delinda Kluser, General Manager. Any individual or specific class of individuals, who feel that this organization has subjected them to discrimination, may obtain additional information on the above statutes and regulations from USDA.

Final Notice and Public Explanation of a Proposed Activity in a

100-Year/500-year Floodplain or Wetland
To: All interested Agencies [U.S. Army Corps of Engineers (USACE),
Oregon Department of State Lands (DSL), Oregon Department of Land Conservation and Development (DLCD), Federal Emergency Management Agency (FEMA), U.S. Fish and Wildlife Service (USF WS), Eastern Oregon Regional Solutions Center, and Grant County, Oregon], Groups and Individuals [North Fork of the John Day Water shed Council], and residents of City of Seneca and Grant County. This is to give notice that Responsible Entity (City of Seneca) under Part 58 has determined that the following proposed action un-

der State-administered Community Development Block Grant and P16007 is located in the floodplain and wetlands, and the Responsible Entity will be identifying and evaluating practicable alternatives to locating the action in the floodplain/wetland and the potential impacts on the floodplain/wetland from the proposed action, as required by Executive Order 11988 and 11990, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Protection of Wetlands. Responsible Entity has considered the following alternatives and

mitigation measures to be taken to minimize adverse impacts and to restore and preserve natural and beneficial values: The City of Seneca considered these issues in right-sizing the proj-

ect and siting the elements of the new wastewater treatment plant:

- Size, type, and cost of available land for construction;
- Cost of the project;
- Impact on the Silvies River;
- Project elements located in the floodplain;
  Compliance with MAO; and

Residential displacement/impact.

The City of Seneca considered several alternative sites and actions: 1. No Action: This City is implementing this project because the wastewater lagoon has a leak that could potentially impact the Silvies River. The alternative with the greatest potential to impact the Silvies is the No Action alternative. Čity is currently under a Mutual Agreement Order because the wastewater treatment plant (WWTP) is out of compliance and has a lagoon leak.

2. Build the new WWTP to the west of the Silvies River, but to the south of Shirttail Creek (not included in Environmental Assessment because it does not meet the purpose and need).

The City and HECO Engineers, Inc. investigated this option and found many problems that made the alternative infeasible and cost prohibitive. The first issue is that there is not sufficient land available in this area to accommodate the land application and new treatment facilities. Second, much of this land is littered with old concrete foundations and some diesel contamination from the Hines Lumber Company's historical locomotive yard in this area. Removal of large amounts of asbestos concrete, and remediating petroleum contamination, would require extensive fill and would substantially increase the costs. Third, this would create insufficient distance between the WWTP and the City's primary drinking water supply well, which is located on the old Hines Lumber Company property. Fourth, because of the proximity in this area to residential development it poses potential odor pollution issues that could decrease property values and/or impact human health. Fifth, because this area is not entirely Cityowned, and is partly located on a heavy elevation grade, it would require land acquisition, residential displacement, leveling, and other costs that would far exceed the City's budget. If the elevation of the facility is too high, it will also substantially increase Operation and Maintenance costs. Sixth, this location could also potentially put the WWTP within the distance buffer from the Silvies River, which is the entire purpose for this project.

3. Build the new WWTP to the North of the City (not included in Environmental Assessment because it does not meet the purpose

This alternative is identified as "Alternative A" in the HECO Facilities Plan but was not chosen because it is inferior. The first issue is that there is not sufficient land available in this area to accommodate the land application and new treatment facilities. Land in this area has been subdivided and there are a number of structures and residences that would require purchase, relocation of residents, and demolition. Second, portions of this area were heavily polluted by the Hines Lumber Company and would require immense remediation of contamination from the Hines' Dry Kiln and Planing facility and extensive fill that would substantially increase costs. Third, because of the proximity in this area to residential and commercial development it poses potential order pollution that could decrease property values or impact human health. Fourth, because this area is not entirely City-owned, and is partly located on a heavy elevation grade, it would require land acquisition, residential displacement, leveling, and other costs that would far exceed the City's budget. Fifth, this location could also potentially put the WWTP within the distance buffer from the Silvies River, which is the entire purpose for this project. Sixth, the cost is approximately \$1.2M higher as identified in the Facilities Plan. Seventh, potential adverse impacts to existing City Park and City golf course.

4. Build the new WWTP west of the Silvies and north of Shirttail Creek (proposed action). This alternative avoids the disadvantageous of the other alternatives: land use and cost, residential impact and/or displacement, construction in the floodplain, adverse impacts to the golf course and City park, buffer distance from the River, site and land contamination remediation, and it has the best elevation grade options. This option also has the benefit of being the most cost-effective and environmentally-friendly. HECO Inc and Ducote Consulting LLC coordinated with the City to

minimize impacts to National Wetland Inventory-identified wetlands in the database. Ducote Consulting LLC conducted a Wetland Delineation (WD 2018-0290). The site visit was conducted on March 23, 2018, submitted on May 23, 2018, the follow-up site visit with Oregon Department of State Lands was conducted in September 2018, and mapping was officially approved in January 2019. The project involves two waterway crossings - Shirttail Creek and

the Silvies River – and one area identified as Wetland A in WD 2018-0290. Where the force main crosses Shirttail Creek, it will not intersect with identified OHWM boundaries because the Creek is conveyed under the Emergency Airstrip by a culvert. The force main will be placed outside the culvert and sediment screens will be implemented to keep materials from falling into Shirttail on either side of the culvert. There is no removal or fill associated with the crossing of Shirttail.

The directional bore under the Silvies River will avoid the floodway channel entirely based on the HECO Geotechnical Report (2018). The bore will begin and terminate in uplands soil and will not penetrate the River channel. Total removal of material from the directional bore will be 0.2 cubic meters.

After the delineation was completed, Ducote Consulting conferred with U.S. Army Corps of Engineers on January 9, 2019 about any additional permitting requirements. Army Corps agreed that there are no additional permits needed under Section 10 or Section 404. Oregon Department of State Lands also concurs that the project as described currently requires no permitting.

Responsible Entity has reevaluated the alternatives to building in the floodplain and wetland and has determined that it has no practicable alternative. Environmental files that document compliance with steps 3 through 6 of Executive Order 11988 and 11990, are available for public inspection, review and copying upon request at the times and location delineated in the last paragraph of this notice for receipt of comments.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and wetlands and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains and wetlands can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains/wetlands, it must inform those who may

be put at greater or continued risk. Written comments must be received by the City of Seneca at the following address on or before February 4, 2019

City of Seneca 106 A Ave/ PO Box 208 Seneca, Oregon 97873

541.542.2161

Attention: Raamin Burrell, City Manager. A full description of the project may also be reviewed from 9 am to 2 pm, Monday through Thursday at same address as above and the city website https:// www.senecaoregon.com/. Comments may also be submitted via email to admin@senecaoregon.com.
