Advantage Dental
From DentaQuest

OUR SERVICES INCLUDE:

Cardiac Calcium Scoring | Detects heart disease before you have symptoms

Annual Screening Mammography | Reduces death from breast cancer by approximately 40%

Vein Ablation | Minimally invasive treatment for varicose veins can resolve your pain and improve quality of life

Lung Cancer Screening CT | If you have a significant smoking history, screening for lung cancer can save your life with early detection

CORA has proudly provided imaging services to the Blue Mountain community for over 14 years. Our specialty-trained physicians are dedicated to excellent patient care and education. With our screening services, we can help reduce your health risks and improve your quality of life.
