Our mission is to have pets in safe, happy forever homes, and to promote spay/neuter to prevent pet overpopulation.

We offer a voucher program to help pet owners afford to spay/neuter their pets – Just schedule an appointment at John Day River Veterinary Center, and ask for the Hope4Paws voucher when you come in for your appointment.

We are an all-volunteer nonprofit organization dedicated to helping pets in Grant County, which has no animal shelter or animal control agency.

Our volunteers:

- Rescue, foster and find homes for stray and abandoned dogs and cats.
- Transport adoptable pets to partner agencies in larger population areas where adoption is more likely.
- Help pay for spay and neuter of owned pets through our voucher program.
- Conduct trap-neuter-return to control feral cat colonies, as funds and volunteer resources allow, and offer pet food assistance.

FUNDRAISING EVENTS:

Annual Spay-ghetti Dinner, concessions for community events, Tree of Hope during the holidays. Watch for a chance to get your pet's photo with Santa Paws in November.

Don't forget to spay/neuter!
