Oregon State Police

Nov. 4: Took a report of a firearms denial at a business on West Main Street. The 21-year-old man had been denied under ORS 137.540 (1) (L) conditions of probation. Found no stipulation stating the subject could not purchase or possess firearm, stemming from a guilty plea for driving while suspended misdemeanor.

Nov. 5: A John Day Fish and Wildlife Trooper responded to a report of trespassing in the Northside WMU. The Trooper responded to the location and met with a witness. The suspects were not located.

Nov. 5: Troopers contacted a residence in John Day to locate a man with outstanding warrants. Adam L. Gilliam, 28, of John Day was located and arrested without incident. During a search of Gilliam, a baggie with meth residue was found in his pants pocket. He was transported to the Grant County jail, where he was lodged.

Nov. 5: A John Day Fish and Wildlife Trooper responded to a call from ODFW regarding a hunter who killed an elk and could not figure out how to validate his tag. ODFW determined that the tag had not been purchased. The Trooper contacted the hunter, provided education regarding the electronic licensing system, facilitated the hunter with gaining compliance and warned the hunter for his mistake.

Nov. 5: The driver was traveling eastbound on a straight-away at 60 mph when he heard a loud "bang" come from the front of the vehicle. The vehicle began

pulling abruptly to the left. The driver told me that with all his strength, he steered the vehicle towards the east-bound shoulder, aggressively braking. The vehicle left the roadway and paralleled the roadway traveling 148 feet before coming to its area of controlled rest, pointed to the east. The driver told me that he had his vehicle checked for front drive train and steering repair last week. The roadway evidence was consistent with the driver's statements. High Desert Towing out of Dayville later responded and removed the vehicle from the scene.

Nov. 7: Responded to a noninjury crash near milepost 93 on Highway 395B. The driver was traveling north on slick roads, going faster than conditions allowed. The driver lost control of the vehicle; spinning 180 degrees and crossing the southbound lane. The vehicle came to an uncontrolled rest in the ditch off of the southbound lane. Frontier Equipment was called by the driver before our arrival, they towed the vehicle to their lot. The driver was cited for failure to maintain lane.

Nov. 8: Responded to a business on West Main Street on a firearm purchase denial. A 59-year-old man attempted to purchase a shotgun but was denied for being a convicted felon. Contacted the man and spoke to him about his felony conviction from 1978. The male claimed to not know he was a convicted felon, citing his case was to have had the adjudication withheld after he successfully completed requirements of the court. The man claimed to have purchased over 20 fire-

arms in the Eastern United States since his arrest, with the most recent being in 2008 or 2009. The case was referred to the District Attorney for consideration.

Nov. 12: Received a report of a large mule deer buck which was unlawfully taken in the Spray area.

Nov. 14: Arrested Thomas E. Pfeifer, 50, Prairie City, on a felony arrest warrant issued by the Grant County Community Corrections for probation violation. The subject was transported to the Grant County Jail and lodged on arrest warrant.
