Parents Page

The decision to do distance education for the remainder of the school year impacts a lot of activities that normally take place this time of year such as sporting events, prom, graduation, and for our youngest students; transition to kindergarten. There will not be a Move-up Day or meetings for parents to get to know teachers and staff until next fall but it is still very important that children entering the public school system get registered for kindergarten. Parent’s involvement with their child’s education is crucial, and forming relationships with teachers, school staff and administrators is the first step. Here is some information that will help you to connect with your school districts to find out when those important activities will occur in your community.

Humbolt Elementary: is working on developing a fillable registration form on their website. <http://humboltelementary.weebly.com/> or contact Katrina at 541 575-0454.

Long Creek School: You may obtain registration paperwork from the schools office or get a k-6 registration form from their website <http://www.longcreekschool.com/formsportals.html/> or call Jennifer at 541 421-3896 or Jennie at 541 508-9247.

Monument School: Please pick up enrollment package at the schools business office, if you have questions contact the school at 541 934-2426.

Dayville School: Contact 541 987-2412

Prairie City School: Contact 541 820-3314

Parenting is challenging any time but all the more at times like this. Both parents and children are scared about the things going on in the world right now and worried when will it end. Parenting during a pandemic can be stressful but it can also be a good opportunity to spend time with our children and support in their development. We know parents are struggling to balance work, child care and self-care while keeping worries, both your children’s and your own, under control. You don’t have to do it alone. Some resources that can help are listed below:

This Parent Page is sponsored by Frontier Early Learning Hub. We wish all families health and peace during these stressful times. Together our community we will endure this crisis and come out stronger than ever. In May we will be providing summer activity boxes to all kindergarteners transitioning to public school. Pick up locations will be forthcoming. Please contact Patti Wright at wrightp@harneyesd.k12.or.us if you need additional information.
