Program Overview: The Carrie Young Memorial supports the elderly in Grant County. In the past we were able to purchase everyday living items for every patient in 4 assisted living facilities. We also have helped approximately 200 elderly and handicapped at home with heat certificates, groceries, clothing and every day living needs.

Mission Statement: To provide assistance of every day living needs to the handicapped and elderly in every corner of Grant County.

Vision: To continue to grow and add more elderly each year to our list and move beyond the boundaries of Grant County

Giving Opportunities: Volunteer at the benefit, Grant writing, seeking donations. Come to this year's event, Friday, Dec. 4, 2020 at the Heritage Barn Grant County Fairgrounds (Dress warm).
