A cartoon illustration by Barry Eschbacher. A woman with short, wavy hair, wearing a dark hat and a light-colored coat with dark buttons, stands on the left. She is looking towards a young girl in the center. The girl has pigtails and is wearing a light-colored dress with a dark collar. She is pointing her right index finger towards a sign on the right. The sign is rectangular and has the text 'NEW True L Doll' on it, with a small illustration of a doll's face. A man with short hair, wearing a dark shirt, is standing behind the sign, looking towards the woman and girl. The background is simple, with some clouds or smoke at the top. The artist's signature 'BARRY ESCHBACHER' is in the bottom right corner.

A cartoon illustration by Henry Bastone. In the foreground, a woman wearing a coat and a hat is talking to a young girl. The girl is pointing her finger at a large dollar sign (\$) on a board. In the background, a boy is running away from a board that says "NEW Life-size DOLL" with a star and the word "DOLL" below it. The artist's signature "HENRY BASTONE" is in the bottom right corner.

The idea of Go Figure is to arrive at the figures given at the bottom and right-hand columns of the diagram by following the arithmetic signs in the order they are given (that is, from left to right and top to bottom). Use the numbers below the diagram to complete its blank squares and use each of the numbers only once.
