Dear Santa,

My name is Cody Knowles. I am a 7 year old boy. I live at home with my mom and two brothers. This year I've been trying to be really good and obedient for mom. I try to be good by helping feed the cows and dogs. There is one thing that I struggle with, it's being nice to my brothers. But I keep trying to get better at that and will get better and better. I promise! I know that you don't have to give me presents, but I sure like it when you do! If you're not too busy this year, here's what I would like:
Something I need are new Nike tennis shoes.
Something to read would be a book about horses.
Something to wear would be a new pair of jeans.
Something with flare would be a rope that glows in the dark.
Some extra things if you don't care are a Nintendo Switch and a hat with a funny saying.
Any one of these things would be fantastic! I really appreciate it. Please tell Mrs. Clause, the Elves, and the Reindeer I said thanks.

Your Friend, Cody Knowles
