Dear Santa,
How are you doing? Are your Elves busy? Don't forget to eat lots of cookies. For Christmas I would like loom bracelets and my own hair curler. My sister Aubri would like a barbie and hair chalk. My other sister Aaliyah would like a 80s cd and a barbie house. My brother Decklan would like a stuffed dinosaur. My MoM would like a new vacuum. And my DaD would like a new shop. Merry Christmas.

Dear Santa,
Hi, so first I have a few questions.

Question one did you get covid and are the raindeer and elgs okay? Also do you where glasses or not? Do you ever get Christmas presents (other than cookies)? Anyway I would like legos for Christmas. And my brother would really like a new book. Merry Christmas Santa! <3

Dear Santa,
Thank you for the gifts last year, I Got calico critters and even a calico critter school. This year, I want a Giant stuffed panther toy, and 600 gecubes. Also I want to make my family animals and figures out of clay.

Your friend,
Ella C.

Dear Santa,
This year was boring because of covid 19 so I thought maybe a drone would be fun. How was your year with covid and did the elves have to wear masks? This year I also wanted a PS VR, so I can interact with other people without meeting them in real life, and with the headset the mow-sion controllers. One last thing, Nike football cleats.

Dear Santa,
How do you get around the Hole world in one night? All I really want this Christmas is a giant stuffed husky and foamy clay to make things out of... I want to also help the commu-

nity by having more stores and parks and maybe even a pet shelter too... My mom really wants new pots and pans and she has really dill kitchen knives. Thats all I really want this Christmas... thank you for all last years gifts.

Abby

Dear Santa,
this year I have been pretty good. I would like a folding pocket knife and a boc of donuts. My sister wants a sled. Also I have a question for you, do you have an after-burner on that sleigh because I'm pretty sure reindeer don't fly? And how are you making out with covid and everything.

Best Wishes, Morgan Cole

Dear Santa,
I am wanting to thank you for the WWE wrestlers last year. I still play with them today. I have also been meaning to ask, does Rudolphs nose always glow? I am also not really sure what I want for Christmas I think just anything will make me happy. My friend is also really wanting some action figures. So that's all I have to say so by and Merry Christmas.

Sincerely, Carter Watterson

Dear Santa,
How are you doing? Are you and the reindeer surviving with COVID? I hope you can come for Christmas. For Christmas I would like a watch and some chocolate and my other sis-

ter wants a book because she loves books.
Merry Christmas,
Ashlyn A.

Dear Santa,
Thank you for all the gifts from last year I am vere grateful for those gifts. Does your sleigh have a time warp drive on it? Also is Rudolph behaving well and how is Mrs. Claus doing? What I want for Christmas is a Nerf Football so that way I can play and throw it around with my sister. Also, can you please get a Nerf Gun for my sister because she's been wanting one. Thank you.

Sincerely,
Same Cole
