GAME ANSWERS LOCATED IN CLASSIFIED SECTION

The idea of Go Figure is to arrive at the figures given at the bot-	
tom and right-hand columns of the diagram by following the	
arithmetic signs in the order they are given (that is, from left	
to right and top to bottom). Use only the numbers below the	
diagram to complete its blank squares and use each of the	
nine numbers only once.	Γ

numbers only once.	16		6				1
