

Blue Mountain Hospital Home Health Agency

offers a skilled Medicare service by professional nurses, home health aides and physical therapists.

We receive referral such as:

- Aftercare from an injury, surgery, stroke, or heart attack
- Diabetic teaching
- Medication management
- Onsite physical therapy & occupational therapy

Our qualified nurse will come to your home to assess your needs. We arrange for other disciplines to be involved in your care, if needed. This might include home health aide to assist with your personal care and do light housekeeping. A medical social worker to offer counseling to aid you and your family in adjusting to new roles related to illness and injury, a dietitian or a physical therapist.

If you have any questions or think you know of someone who might benefit, please call
541-575-1648

Blue Mountain Hospice

“A place for you to find hope and encouragement”

It is our desire to provide support and care for persons on the last stages of an illness so they may live as comfortably as possible. We recognize that the dying process is a part of the normal process of living we focus on enhancing the quality of the persons remaining life.

Are you thinking about giving back to the community & others? Become a hospice volunteer! Call for more information.
