The idea of Go Figure is to arrive at the figures given at the bot-		÷		+		1
tom and right-hand columns of the diagram by following the	+		+		-	
arithmetic signs in the order they are given (that is, from left		+		÷		8
to right and top to bottom). Use only the numbers below the	÷		+		Х	
diagram to complete its blank squares and use each of the		х		+		1;
nine numbers only once.			Г. а

me: out nun thai per to	M A G M I Y E B D E E E R HERE IS A PLEASANT LITTLE GAME that will give you a message every day. It's a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add 3. The result is your key number. Start at the upper left-hand corner and check one of your key numbers, left to right. Then read the message the letters under the checked figures give you.													

## Blue Mountain TWSGHEDULE Cable subscriber channel numbers follow call names. Times may vary for satellite viewers
